

# Chartwell Teacher Training Institute

...because **1 in 5 children in your class learn differently.**

**Our Teacher Training Institute will show you how to explicitly and systematically reach these students.**

**F**or over 35 years, Chartwell School has been the leader in educating students with Specific Learning Disabilities including Dyslexia.

This course has been designed to build on three decades of experience to provide teachers with tools AND practical experience to navigate SLDs including dyslexia.

## Learn an Orton Gillingham-based approach to:

Integrate these elements of language using Structured Literacy:

- ♦Phonology
- ♦Orthography
- ♦Morphology
- ♦Semantics
- ♦Syntax

Practice incorporating the principles of teaching associated with **Structured Literacy** including instruction that is:

- ♦systematic
- ♦explicit
- ♦diagnostic
- ♦prescriptive
- ♦cumulative to mastery

**Unique to Chartwell Program:** The afternoon session provides experience in actual classroom setting.
