Dear Parent

We would like to invite your son/daughter to be part of a special project that I am sure he/she will find enriching and exciting.

We are working with specialist teachers from Southam College to create a Year 6 Reading Forum. As part of this project Southam College's librarian will visit our school to talk with selected Year 6 children about reading and to introduce a reading list. Further to this there will be the opportunity for the students to visit Southam College and work with an English teacher specialising in reading with more able students. This promises to be an exciting and challenging project that will help with the transition to secondary school as well as providing your child with reading material that they might not have otherwise come across.

The college librarian (Mrs Jones) will visit our school for an afterschool session from approximately 3:45 until 4:30pm on the following date:

Southam Primary School Thursday 10th October

The English teacher will provide sessions, one at the end of each term, at Southam College for children from all eight primary schools. The first college session will be on Tuesday December 10th, 1.30-3pm.

This is an exciting project and we look forward to your support. If you have any questions please do not hesitate to contact us at school.

Yours sincerely

Emmeline McChleery

Lead Practitioner – English
