Administration: SMA-COL Christina Bowman introduced SMA-LTC Abby Williams and SMA-LTC Lisa Currie to present what SMA could look like in the future with academics and unique experiences. SMA-LTC Currie discussed options in offering a unique academic program towards a 21st century education for grades six through twelve. SMA-COL Tom Vara stated that parents now understand how education has changed with the need to include character traits. SMA-LTC Currie showed a video of Mr. Tony Wagner at TEDxNYED.

SMA-LTC Currie discussed the top ten skillsets needed for success listed on Forbes and explained how it can be incorporated into our curriculum. She further discussed a curriculum that is learner centered and inquiry based with interactions between skills and concepts and collaborations between facilitators and cadets.

SMA-LTC Williams explained how placing classes SMA already offers into "Regimental Academic Pathways" for cadets to easily follow. She further explained how ninety percent of classes are already provided and repackaging curriculum into pathways for a more meaningful learning experience. SMA-LTC Williams stated that a cadet has the opportunity to earn up to 32 credits by graduation with the current 4x4 block schedule.

Dr. Todd Brown discussed the need to lead in education by reframing what we already do at SMA. He explained the opportunities to invite teachers and cadets along with his speaking engagements that are relative to the subject at hand. SMA-LTC Currie discussed sustainable development goals for grades six through twelve with a global connection dealing with real world problems can be part of our curriculum. She stated how graduates can walk away with an e-portfolio of evidence, published works, evidence of service learning, character development and emotional intelligence, A/P coursework, and reflection opportunities grades six through twelve. SMA-LTC Currie played the ABC7 interview of Bill Logan with Dr. Brown and three high school cadets on Operation Outbreak. She stated that this suggestion could be the course for what the Academy could be and not a final product.

SMA-COL Bowman stated that the presentation is a suggestion on course the Academy can take by combining pathways and character development through ROTC to create a unique experience at SMA. Chairman Jones inquired as to how to sell this to our stakeholders in which SMA-COL Bowman responded by showing them the presentation that was just exhibited. Vice Chairman F. Steven Herb suggested to rename pathways and package it to explain in thirty seconds.

Chairman Jones asked administration to look into how to market the pathways and make recommendations to the board by next meeting.

SMA-COL Bowman discussed the data collected for IB expenses and academic numbers and the how the data does not reflect growth of the program. She recommended to the board to phase out the IB program with the completion of the current Junior class IB cadets for the 2020-2021 school year and phase in the new program presented. Chairman Jones asked the board members for their opinions in which COL Knisely stated he is in favor of phasing out the IB program with the current IB cadets completing the program and to move forward with the new and unique academic program.

Ms. Carter Donovan stated her concerns with how the new program will be marketed as her opinion is stated that the IB program was not marketed properly. Ms. Long agreed with the need to learn more about the new program. Mr. Hudson stated that he will abstain from voting as he was not a member during the meetings of finances regarding the IB program. Dr. McElheny discussed how he became an IB supporter since becoming a board member by speaking to various people as well as visiting the IB school in Massachusetts but stated that the full support of cadets, parents, community and finances are not in place to continue the IB program at SMA. He mentioned how the new academic program can be packaged and turn into something big by already having 90% in place to move forward. Dr. McElheny stated his vote is to move forward.

Mr. Kimball Bobbitt stated that it is premature to discuss a new program and that the focus should be on continuing the IB program at SMA or not. Vice Chairman Herb stated the small percentage of IB cadets tells how the program is not growing at SMA and is a detriment to other students. He states that he is in favor of transition from the IB program to the new one presented. Chairman Jones stated that mistakes have been learned and that a better job in marketing the new concept is needed. He stated he is in favor of moving forward.

LTG Crowell stated the new program deserves more study for all to embrace and to refine, develop and market new approach that benefits cadets and community grades six through twelve. Chairman Jones called to vote.

Dr. McElheny moved to accept administrations' recommendation to phase out the IB program at the end of the 2020-2021 school year and provide the current Junior IB cadets the ability to complete the IBDP in 2020-2021 and proceed with new program; Vice Chairman Herb seconded the motion.

Ms. Long stated that questions have not been answered and doing an injustice by not being fair to parents.

Ms. Long moved to postpone the current motion to the February board meeting; Ms. Donovan seconded the motion.

Chairman Jones stated that there has been two board meetings as well as two work sessions for opportunities to welcome all comments regarding IB. SMA-COL Bowman stated that a decision needs to be made in order for parents to plan accordingly and that the time is now to come together as an Academy. Mr. Bobbitt inquired as to why the overflow of IB students from Riverview High School are not

participating in our IB program in which Dr. McElheny responded that it is not realistic to expect that and 4% to 5% of cadets in one program is driving everything.

Chairman Jones called to vote on second motion with majority voting to not postpone decision until the February board meeting.

Chairman Jones called to vote on first move by Dr. McElheny and his second of the motion to phase out IB on the high school campus. Majority vote and motion carries.

Public Comments: Cadet Lucy Fabec stated that she is dyslexic and feels that the IB program is conducive for students with learning disabilities. Mr. Biset stated that his son is in the IB program and states the challenges of the program is that it is not marketed as an IB school. Mrs. Fabec stated the issues lie with lack of board or administrative support and finances in general that are not an IB issue. She suggested more people go out into the community and market the IB program as we need a receiving end for the Prep school. SMA-MAJ Gillotte stated that IB was told to her could work within the new pathways program. She mentioned how non-IB teachers participated in IB training. Mr. Hudson stated that an attrition rate for ninth graders from the Prep is an issue that needs to be looked at and addressed.

The chairman adjourned the meeting at 4:	25pm.

Ryan demonstrated how the ERIP system works from the teacher and administration perspective. After reviewing this information and answering a few questions from the security team, Ryan gave the same introductory presentation to the entire staff at a faculty meeting.

Campus Concerns

Prep conducted a school wide writing simulation in preparation for the FSA testing in April. The simulation as far as computer infrastructure and testing procedures ran smoothly. We were not able to test all the Chromebooks due to a technical difficulty but feel confident all the computers will be useable during the testing period.

Our Language and Literature teachers reviewed the writing results a few days after the practice test and there were very few surprises in the test results. The cadets who were struggling in the beginning of the year are still having difficulty, although the teachers did see improvement. The Language and Literature teachers are working diligently to identify areas of concern and will work with these cadets to correct the issues noticed in the practice test.

Soccer: There are 22 soccer players on the Girls team and 22 players on the Boys team this season. The teams began practicing January 13 and competition began last week. The soccer season runs through March 11th. The current record for the Girls is 3 and 0 and 1 and 2 for the Boys.

Lacrosse: The Lacrosse team was selected in early January and they have been practicing since January 27th. Due to the field conflicts with Boys & Girls Soccer we have decided to rent a field at Redskins Park for the four home games. The first Lacrosse game will be February 26th at Redskins Park, 5:00 pm against Berkley Prep (Tampa).

Golf:

The golf schedule is being finalized for March, April and May. Try outs for golf will be March 3rd and 4th at our home course, Tatum Ridge Golf Links. We are anticipating our usual large turnout. The team is coached by Leslie Smith, the 8th grade PE teacher at the Prep and Gail Biroscak the High School registrar.

BOARD MEETING 2/13/20

www.sarasotamilitaryacademy.org/athletics

CURRENT:

- 1) 4 out of 5 FALL Sport Teams (Volleyball, Girls & Boys Cross Country, Boys Golf) made FHSAA Academic Team State Champions Teams had a 3.0 GPA or higher. Congrats to our student-athletes!
- 2) Soccer both Girls & Boys seasons are completed.
 - a. Girls made it to the second round of Districts and lost to Cardinal Mooney.
 - b. Boys had a challenging year. Team was compiled mostly of freshman & sophomores.
- 3) Basketball Girls are complete & Boys will be next week.
 - a. COL Knisely & Hugh Bishop graciously donated the funds to supply our Boys Basketball program with new uniforms for next year! Absolutely amazing & thank you so much!
 - b. Girls had a very challenging season. We will be making strong adjustments to scheduling and how we determine our FHSAA status.
 - c. Boys Varsity also had a challenging season. The very positive part of the season is the 8 amazing seniors that persevered & held their heads high and continued to work hard throughout the season. Leadership skill that have been passed on are priceless!
 - d. Boys JV have a 10-11 record and had plenty of exciting games!
- 4) Wrestling: Coach Arrington is very pleased with this year's athletes. They continue daily to embrace the grind and improve every time on the mat. We are very hopeful to return a handful of wrestlers to State this year!

FORWARD:

Attached is a Sponsorship Form for our Golf Challenge. April 18th will arrive quickly! I spoke to our Athletes in late January and broke it down simply:

Current total number of athletes	152	
Total number Golfers possible for "Challenge"	144	
Total number Sponsors needed	15 (varying levels)	

If our BOD, Foundation, Coaches, Athletes, and some Teachers reach out to their networks, we "should" be able to have a full flight of golfers and meet most of our Sponsorship needs.

Current number of Board Members & Foundation	13
Number of Coaches	14
Teachers & Staff @ HS (if 25% help)	75

If we network all of our resources achieving our goals should be easy.

Soaring Eagles Golf Challenge brochures, flyers, and registration information is all available online! http://www.sarasotamilitaryacademy.org/athletics/hs-athletics-golf-challenge

Thank you for your understanding and assistance!

- IB coordinator Charlie Carver has been working in collaboration with SMA administration, past IB coordinator Pam Donehew, along with Paul Gallagher, to ensure the continue monitoring of students within the program. This collaboration will continue throughout the school year.
- The IB teachers have met with the coordinator and shared concerns for our students for the remainder of the year. A calendar has been created for seniors that includes all internal and external assessments and major assignments.
- At the current time, 12 of 14 seniors in the IB diploma program are still on track to qualify for the diploma. Post-secondary plans have been discussed with these seniors as well.
- In surveying the current IB diploma program juniors, 11 of the 15 are planning to stay at SMA next school year. Seven of these 11 expressed that they would continue in the IB program, with the others looking at other academic options while continuing at SMA.
- External assessment dates are set, as well as the reserving of the testing site at Salvation Army on Tuttle Avenue.
- The IB banquet is scheduled for May 2 at the Palm Aire Country Club. IB parent, Melissa Watrobsky, is securing sponsorships to assist in the costs to the school.
