

A NOTE FROM THE MIDDLE SCHOOL OFFICE

Hello from Chang Mai MS parents. We have almost completed our first week of online learning and we are making good progress. Most of the tech glitches have been resolved and the vast majority of our students are participating in the learning activities our teachers have created. Thank you for your support of our efforts thus far, but we've still got a ways to go and we will continue to need your help to make online learning productive for our students. A few announcements/requests:

Your Travel Information - If you haven't done so already, please complete the brief survey regarding your travels and your interactions with residents of Hubei province. The Chinese government authorities have asked us to gather this information, so your attention to the survey would be much appreciated as we strive to comply with this important request. Here is a link to the parent survey. <https://forms.office.com/Pages/ResponsePage.aspx?id=NpDVNVcCm0mnOF-pMaHRaSqUrhFxtAIU0tB7IyKUFUNDhMM1UxMFZDTU5aTTA2Mk5QUIAxMFRMRC4u>

Students not Engaging With Online Learning – Participation has been very high here at the outset, but there are still some students who have not connected with us at all. They haven't submitted work to teachers or contacted anyone from the Middle School, so we are concerned that they may not be receiving the information we have been sending out. We will be reaching out to these students to see if we can help them get connected to their classes over the next two days. If there is a barrier to your child participating in online learning, please let me know as soon as possible so we can lend assistance if needed.

Well, that's all for now. I am keeping my fingers crossed that we will all be back in Guangzhou and on campus on March 2. Hang in there everybody!!

Warm Regards,

Rick
