**Oversubscription Criteria for Southam Primary School**  
**2019/2020 Academic Year**

Stowe Valley Multi Academy Trust is the Admissions Authority for Southam Primary School. Admissions for Southam Primary School are administered by Warwickshire County Council Admissions Service.

The Planned Admissions Number (PAN) for Southam Primary School for Reception is  
42

In the event that Southam Primary school is oversubscribed, then the following oversubscription criteria will be used when allocating places.

1. Children in the care of, or provided with accommodation by, a local authority and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);
2. Children living in the priority area who will have a sibling at the school at the time of admission;
3. Children living in the priority area who will have a sibling at the partner junior school at the time of admission;
4. Other children living in the priority area;
5. Children living outside the priority area who will have a sibling at the school at the time of admission;
6. Children living outside the priority area who will have a sibling at the partner junior school at the time of admission;
7. Other children living outside the priority area

Please note:

- a) Children with a Statement of Special Educational Needs or an Education, Health and Care (EHC) Plan that names a school will be admitted first. In this event the number of places that remain for allocation will be reduced.
- b) Children attending, or with a place at, a nursery class do not have a higher priority for - and are not guaranteed - a place in the linked infant or primary school.
- c) Time of admission relates to the time the applicant would start at the school – not the time of application or offer.

**The following terms / definitions apply to the oversubscription criteria for Southam Primary School**

➤ **Priority Areas**

Southam Primary School has an area identified as its priority area Full details of the priority areas for Southam Primary School and other schools within Warwickshire are

available on the Warwickshire County Council website and can be viewed using interactive maps.

Infant and Primary School Priority Area Maps can be accessed at:

Junior and Primary School Priority Area Maps can be accessed at:

➤ **Priority within each oversubscription criterion**

Where applicants are allocated the same criterion, priority is given in order of distance between the child's home and the school applied for (shortest distance = highest priority).

Distance will be calculated by using a straight line measurement from the address point location coordinate of the applicant's home address (as set by Ordnance Survey) to the centre point ('centroid') of the school in question. (The centroid is a predetermined point set by Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data).

Transport Assistance will not be approved on the sole basis that the school offered is the priority area school and will only be provided in accordance with Warwickshire County Council's Home-to-School Transport Policy. This may mean that the nearest appropriate school – for transport purposes – may be a school in a different priority area.

➤ **Sibling, i.e. brother or sister, attending the school at the time of admission**

Sibling is defined as; a full brother or sister, a half brother or sister, an adopted brother or sister ; a child living in the same address who is being Looked After by a local authority, a step-brother or sister; the child of the parents' partner, where the child for whom the school place is being sought is living in the same family unit and at the same address as that sibling.

➤ **Definition of Home Address**

Where the child normally resides during the school week and where they/ sleep for at least 50% of the week

If arrangements are such that a child resides at two addresses for equal amounts of time, then the parents must decide which address to use for admissions purposes. Failure to agree on the address to use on the child's application for a school by the national closing date will result in Warwickshire County Council using a random number generator to determine which application to process.

Addresses involved in child-minding arrangements, whether with professional child-minders, friends or relatives, are excluded. Where a school place is allocated, on the basis of an address which is subsequently found to be different from the address where the child ordinarily resides that place may be withdrawn. Cases will be

assessed on an individual basis and in discussion between Warwickshire County Council and Stowe Valley MAT.

There is also an expectation that the child and applicant will be resident at the address used to allocate a place on a long-term basis, and until at least the start of the autumn term in relation to the coordinated admissions process. Short-term house moves purely to secure a school place may be considered fraudulent or intentionally misleading and in such circumstances the place may be withdrawn.

Where a child's address changes after National Offer Day, Warwickshire County Council may request an explanation for the house move and documentary evidence that the child is resident at the new property. The Admissions Service operates a thorough and robust address checking process, which may include both announced and unannounced home visits.

➤ **Postal Address File (PAF)**

The address point location coordinate of the applicant's home address as set by Ordnance Survey.

➤ **Applications made from the same multiple dwelling which shares a single Postal Address File (PAF), / Other applications where the distance from home to school is identical**

Where required, individual priority for such applicants within a particular criterion will be determined by a random number generator allocation. The draw will be carried out by two officers of the Admissions Service in the presence of a local authority Solicitor. The order of draw will be recorded and countersigned at the time. Applicants will be notified of the outcome.

➤ **Part-time, Delayed and Deferred entry to school, including summer-born children**

As is required by the School Admissions Code, Warwickshire County Council will provide a school place for the admission of a child in the September following their fourth birthday. Where a child is offered a place at a school, that child is entitled to a full-time place. In Warwickshire, children will start their education at this point in the Reception year group.

However, in some cases it may be more appropriate that a child starts school later in the school year – for example, in the Spring term, after the Easter holidays. This is referred to as **'Delayed Entry'**.

There are many reasons that it may be appropriate to delay the point at which a child starts school. These could concern medical issues which a child has, special educational needs which are either confirmed or being assessed, or the child may not be emotionally, socially or psychologically 'ready' to start school during the term after their fourth birthday.

For some children, for example, in the case of some 'summer-born children' (those born between 1<sup>st</sup> April and 31<sup>st</sup> August), it may be appropriate to request that the child starts school a year later so that the child is educated in the chronological year group below where they should be. This is referred to as **'Deferred Entry'**.

**The Law states that children have to be in full-time education by the start of the term following their fifth birthday. This is referred to as ‘compulsory school age’.**

For **delayed entry or part-time admission**, an application for a school place **must** be made in line with the coordinated process, and all relevant deadlines adhered to, so that a school offer can be made prior to the request for delayed entry being made by the parent/carer.

This request must be made in writing directly to the head teacher of the school at which an offer has been made and accepted. If delayed entry is agreed then the school place will be held until the date it is agreed that the child will start school.

A formal request for **deferred entry** should be made to the Admissions Service in the autumn term of the year *before* the child is chronologically due to start school. For example, for a child who is due to start in school in September 2019, the request for deferred entry should be made by no later than 1<sup>st</sup> December 2018.

An application for the child to start school **must** also be completed and sent with the request. This ensures that the child can still be considered for a school place which is relevant to their chronological age group, if the request for deferred entry is denied. If the request is approved then the application will be withdrawn and a new application must be made for the following year of entry, in line with the co-ordinated admission arrangements for that particular year of entry.

The application form, and the form which must be completed in order to request deferred entry, can be found on the website:

[www.warwickshire.gov.uk/admissions](http://www.warwickshire.gov.uk/admissions)

It is also advised that the following document is read in full prior to making a request for part-time admission, delayed or deferred entry: **‘Guidance and Policy relating to the education of children outside of their chronological year group’**

➤ **Applications for other children to be taught out of year group**

As required by the School Admissions Code, Warwickshire County Council operates an application process for the transfer of pupils to the next key stage, as appropriate. In some cases, children will not follow the chronological process for their age group. This may be due to a medical issue which has caused the child to miss a significant amount of time in school, or a special educational need, in which case the parent may request that they be educated in the year group below. Other children may already be educated outside of their chronological year group and it may be appropriate for this arrangement to continue. Parents who wish to request that their child is admitted to a school, and educated outside of their chronological age group, should read the [www.warwickshire.gov.uk/admissions](http://www.warwickshire.gov.uk/admissions) **‘Guidance and Policy relating to the education of children outside of their chronological year group’** and complete the relevant request form, which can be found on the Warwickshire County Council website:
