School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Adelante II Dual Language Academy was founded as a dual immersion program at Arbuckle Elementary school in 2014. It began with one kinder class of 20 students. Each year a grade level was added and in by 2016, Adelante became an official school of its own. During the 2018-2019 school year, Adelante II has grown to serve over 180 students in grades TK-4th. For the 2019-2020 school year, Adelante II is projected to have over 250 students and it will be serving students in grade TK-5th.

Adelante II is considered to follow a 90/10 model of instruction. This is reflected as in grades TK-1st grade, 90% of the instruction is in Spanish and 10% of the instruction is in English. Each year, the percentage of English increases, while the percentage of Spanish decreases. By the time students reach 5th grade, 50% of the instruction is in the target language, Spanish, and 50% is in English.

At Adelante II we value dual language instruction and we focus on developing biliteracy skills in both Spanish and English. Once our students reach 5th grade, students will have the opportunity to earn the Seal of Biliteracy, demonstrating their proficiency in Spanish and English. Additionally, Adelante II operates under the belief that a dual immersion education will prepare students to participate as global citizens in a global economy.

Adelante II values parents participation and involvement significantly as part of the learning process. We require a 5-year commitment to our program as developing proficiency in either English or Spanish, requires their consistency and commitment. We also involve our families at all levels of the decision-making process, and we believe our families to be a critical factor in the success of our dual language learners. As such, we require a 30-hour volunteer requirement and we provide many opportunities inside the classroom, as well as outside of the classroom, for our parents to fulfill this component.

Vision

Students will graduate from Adelante Dual Language Academy with bilingual proficiency and multicultural competencies that will open the doors to opportunities in our global economy.

Mission Statement

Adelante Academy provides an opportunity for all students to achieve bilingual proficiency and to develop multicultural competencies through a rigorous English and Spanish dual language instruction program. Our school philosophy is based on the belief that "one who knows two languages can contribute in two worlds". Within this philosophical framework, Adelante values and respects both languages and all cultures instill a sense of community service in students, develops future leaders, and involves parents as part of the school learning community.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district makes every effort to ensure all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office.

School facilities are upgraded whenever possible to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders’ needs and the instructional program. The Alum Rock School District maintenance staff, in conjunction with day and night custodians, ensure the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. There is an ongoing and strenuous reinforcement of bathroom etiquette. Bathrooms are checked after each recess and after school. There are at least one Beautification Day each year. Parents, teachers and sponsors come to the school on a Saturday and plant flowers, clean windows, pick weeds, paint, and/or clean up surrounding streets.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	29	18	33	33	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Adelante II requires that families volunteer to support the education of our students by volunteering a total of 30 hours, per school year, per family. In order for our families to meet this requirement, parents can volunteer in many capacities. Parents can come in and volunteer to assist in the classroom, to assist the teacher in many capacities, to volunteer to help in school wide events like "Tradicion y Vida," "Reading Under the Stars," our winter program, and our "Dia del Nino." Parents can also volunteer and be elected to be a part of our school governance teams such as the Parent Teacher Association, School Site Council, and English Learner Advisory Committee.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

At Adelante II, a school of academic excellence, we strive to find and use the best practices, strategies and approaches to bring about optimal learning opportunities within a safe and caring school environment. We take student safety seriously. Training is provided in health and safety and emergency procedures, Lock down, shelter in place, first aid and communication. We have monthly fire drills two mock earthquake drills yearly where teachers are aware of their responsibilities. Lock down and Shelter in place drills take place once a year. A school-wide behavior system is in place. The Positive Behavior Intervention and Supports (PBIS) curriculum supports and reinforces positive behavior and violence reduction. Additionally, the school's focus on scholarly conduct helps students behave in a positive and consistent manner.

Adelante II has a detailed, comprehensive school safety plan that outlines protocols, systems, and procedures in the event of any and all emergencies. The plan also contains the yearly safety goals as determined by the students, staff, and parents. The school safety plan is developed and reviewed on a yearly basis by the Adelante II School Site Council before it is presented to the Alum Rock Union Elementary School District Board of Trustees for annual approval. Safety alerts are shared with all staff as needed throughout the school year.

The Adelante II Safety Plan contains a comprehensive, enforceable, and continuous behavior policy, set of rules and regulations, dress code policy, set of protocols for safety/emergency drills, tardy policy, attendance policy, referral policy, nondiscriminatory policy on student rights and responsibilities, campus security policy, harassment policy, conflict management policy, Internet safety policy, and intervention and referral system policy.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Continuous professional development is a common practice for all Adelante II staff members. Teachers receive extensive training in the Adelante Benchmark Advance Language Arts Program. Teachers also receive training in Guided Language Acquisition Design (GLAD) instruction. As a school we are continuously seeking professional development that will better help us meet the needs of all students. All teachers are engaged in grade level collaboration and training to develop their skills in all curricular areas.
