School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Mission

At Cesar Chavez, we are committed to provide quality education utilizing 21st century technology and strategies to promote life-long learners with a partnership between educators, community, parents, families and students. We are committed to work collectively every day to provide opportunities to inspire young minds to reach new heights. We hold high expectations not only for our students, but for all who touch the lives of the community.

Parents

Through ongoing communications parents and teachers will work together to provide an environment where students can thrive. Parents will instill the importance of a sound body and mind. Parents will encourage daily school attendance, healthy eating habits, proper study habits and productive extra-curricular activities.

Educators

Educators will live by the values of leadership, collaboration, integrity, accountability, passion and professional development. They will provide a rigorous environment for all students while integrating technology to prepare them for the future.

Community

Through partnerships within and outside our community we will constantly strive to get the best materials and partners to help our students. Community partners will help bridge the economic gap and provide our students with the materials and opportunities to take their love of learning to a higher level.

Instructional Vision

At Chavez elementary, our instructional vision is to deliver standards based content through interdisciplinary instruction and learning, which will enable our students to become 21st century learners which encompasses collaboration, communication, creativity and critical thinking.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district makes every effort to ensure all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office.

Chavez Elementary School was constructed in 1950. School facilities are being renovated according to the Field Act requirements of the State Building Code with a focus on earthquake safety. In the event that asbestos and lead containing building materials are found, they are removed according to Environmental Protection Agency (EPA), State, and Local requirements. Deferred maintenance funds have been used to properly maintain and renovate district buildings. Needed repairs and maintenance projects are completed in a timely manner.

Whenever possible, school facilities are upgraded to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders’ needs and the instructional program. The Alum Rock School District maintenance staff, in conjunction with day and night custodians, ensure the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. Regular oversight by district maintenance crews ensures that grass and landscaped areas are well maintained, and that the school’s buildings, grounds and play areas are safe for use.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	32	28	33	33	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

There are various parent involvement opportunities in which every family/guardian's obligation and responsibility is to volunteer at least 30 hours per year, of which 10 of those hours should include volunteer time to the student's classroom. In addition, parent involvement programs such as "Los Dichos," SOMOS Mayfair-Raising a Reader is yet another opportunity for parents to be involved in school. Parents also can contact our community liaison for other parent involvement opportunities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

The Comprehensive School Safety Plan is designed to be utilized as a school resource for prevention/mitigation, preparedness, response and recovery planning and training as well as for meeting the requirements for the annual Safety Plan Process under SB 187 and the National Incident Management System. The safety plan was last updated on October/November 2019 and adopted thereafter for the 2019-2021 academic year. The school safety plan is distributed to all staff members at the beginning of each academic year and its reviewed throughout the school year at staff meetings. The key elements of the comprehensive school safety plan includes having a school safety planning committee, annual safety goals, mandated policies and procedures, child abuse reporting, routine and emergency disaster procedures and annual checklist and forms.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

The staff at Cesar Chavez Elementary has had extensive opportunities to participate in professional development during the school year. All teachers attended professional development on the Common Core Standards' implementation including Envision Math which were provided by the Alum Rock School District. In addition, during the year the staff were trained on how to use IReady. i-Ready combines a valid and reliable growth measure and individualized instruction. Teachers were given the opportunity to visit other schools and classrooms. As member of the staff, an instructional coach, coaches the teachers on different educational innovations and Accelerated Reader. Moreover, our school leadership team took part in the district sponsored leadership training all year.
