What if you’re on the playground pretending there are monsters and you get a little scared?

What if you see a car crash?

*GASP*

What if you’re in class and the teacher starts having trouble breathing?

What if you’re outside and you see someone doing something illegal?

Now it’s your turn! Can you assess these scenarios and decide what action to take?

What if you’re at home and your sister burns herself on the stove?

Ow! Help!
