

Introductory Statement

The Admissions Authority for Wallington County Grammar School is Folio Education Trust. The admissions function has been delegated by Folio Education Trust to the Local Advisory Board of Wallington County Grammar School.

Wallington County Grammar School is an 11 - 18 selective school for boys and accepts girls into its Sixth Form. Our motto is Per Ardua Ad Summa, '*Through Difficulties to the Heights*' and coming to school here as a student or professional means that we reach those heights daily by being part of such a successful educational organisation. What makes us great is that we meet life's difficulties together, as a community and a family, using our core values of compassion, courage, commitment and creativity to achieve excellence. We believe that we should always show compassion to others, making decisions without self-interest and supporting all those in our community to be happy and successful. We must have courage, never being afraid of failure but embracing it to learn from our mistakes and better ourselves. We are committed, not just to reaching academic success but to enriching ourselves as scholars, sportsmen and women, artists, musicians, actors, debaters and anything else we set our minds to.

Finally we are creative, always being willing to consider different solutions and think deeply about the challenges we face as individuals and as a society. Our admissions criteria are designed to support students from a wide range of different backgrounds gain access to the world class education that we provide.

Mid Term Admissions

Entrance Examination Waiting Lists will be maintained for Year Groups 7 to 11 and in the unlikely event of a vacancy, all boys who have registered an interest either with the School directly or with the London Borough of Sutton for the year group with the vacancy in, will be invited to attend an entrance examination to determine eligibility.

Please note that it is not possible for boys to sit an Entrance Examination twice for the same academic year of entry. All boys for whom Wallington County Grammar School (WCGS) is the named School on

their Education, Health & Care Plan (EHCP) will be given priority if they reach the set pass mark from a mid-term entrance test.

Please note that success in an Entrance Examination does not mean that a place will be offered. All Entrance Examination waiting lists are cancelled at the end of the academic year.

Boys will be regarded as of selective ability according to their performance in the Entrance Examination. In the event that the number of eligible applications exceeds the number of places available, the following criteria will apply for mid-term, in the order set out below:

1. Looked After Children (LAC) and Previously Looked After Children (PLAC), but immediately after being looked after become subject to adoption, a child arrangements order or special guardianship order.

A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

2. In rank order of performance in an Entrance Examination.
3. In the event two or more boys have the same rank order and where the admission would exceed the number of places available, preference will be given to students who are eligible for Pupil Premium (PP)* through their current school at the time of the Entrance Examination. Thereafter, places will be allocated in the order of the distance of their home address from the main pedestrian entrance of Wallington County Grammar School measured in a straight line on a map. If 2 students lived the same distance from the school, then a random allocation will be made by an independent person.

Appeals

All applicants refused a place (this is normally when entrance testing has taken place) have the right of appeal. The right to appeal is to an Independent Appeal Panel set up in accordance with section 85(3) of the School Standards and Framework Act 1998. Appeals must be made in writing and the response must set out the reasons on which the appeal is made.

Information on how to appeal is available on the Wallington County Grammar School website.

Notes

***Pupil Premium (PP)**

If your child is successful in the Entrance Examination, we may seek to verify with your child's current school if your child is/was receiving Pupil Premium (PP).

Admission of children outside their normal age group

In the event that a vacancy arises and an entrance examination is organised, any child outside of the normal date range for the intake of students for that year group will be asked to provide supporting evidence from a professional to confirm why the student is out of the expected date range. A decision will be made on the basis of the circumstances of each case. If you wish your child to be considered outside of the normal date range for his chronological year group, please ensure the School is notified at the time of your application.

When such a request is made, the Local Advisory Board will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Headteacher and any supporting evidence provided by the parent, plus:

- Parents' / carers views
- Information relating to the child's academic, social and emotional development, where relevant
- Medical history and the views of a medical professional
- Any previous history of being educated outside of their normal age group
- If the child may naturally have fallen into a lower age group if it were not for being born prematurely or being summer born & start of School was deferred

Home Address:

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received and the residence is split equally by the closing date for applications, the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken into account. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week. In some cases, where distance is a relevant factor in admission decisions, a different address may be used if a family unit owns or has access to another property.

All school admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements.

These checks will be conducted by the home Local Authority; where a fraudulent address or an address of convenience are found to have been used, the application and any subsequent offer may be withdrawn.

Applicants living outside of England may only submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September in the year of entry; this address must not be an address of convenience.

If parents/carers wish to discuss their circumstances prior to making their application, they should contact their home Local Authority.
