1. A survey will be sent out this week to parents regarding an activity bus for the 2020-21 school year.
 2. Late Start Proposal – FHS wants to propose to their MAPS class to the beginning of the school day. Students who are on track or ahead would start most school days at 8:30 AM. Students who are not on-track would need to come to the class at the regular school time of 7:30 AM. A testing center during that time would be created and manned by teacher assistants. Communication will be key to making the program successful.
 3. Current Land Trust spending reports were given and a discussion was had on computer refresh options for the future. The \$505.89 carryover was reallocated to the productivity for class size reduction.
 4. A discussion was held regarding what the expectations are regarding the role of a community council member. Budget allocation, community response, looking into issues and concerns. An email will go out listing the community council members.
 5. Phoenix provides has raised about \$4500 to date.
