

Holly Shelter Middle School

Parent Involvement Policy and Procedures

Our Mission: Holly Shelter Middle School will provide a safe and engaging learning environment which will ensure success in the 21st century. This will be achieved with the cooperation of students, teachers, parents, and the community.

- We strive to encourage parents and families to be partners in our school community through a variety of opportunities. Our website offers information to families about events in the school. Weekly newsletters are sent by classroom teachers, invitations are sent home for information nights, student's record information in their planners, and a weekly call is placed to provide the weekly upcoming events.

We also welcome families to participate our PTA, School Improvement Team, and Sports.

- PTA
- Spirit Wear Sells
- Book Fair
- Concessions at Games
- Staff Appreciation events
