

Dear Parent:

Welcome to American Heritage Summer Camp, where we are already busy planning many fun and memorable activities to celebrate our 37th SEASON of summer camp excitement! This summer, we will be offering FIVE fun and fabulous programs to choose from. Traditional Day Camp, Musical Theatre Camp, Science Adventure Camp, Robotics Camp and Art Camp are staffed by professionals accomplished in their fields. As always, the number of new families interested in enrolling their children in our award-winning programs continues to increase. With this in mind, we want to make camp registration as easy as possible for our returning and new families. Details regarding this year's registration process are attached. Please read the information on the following pages carefully as it contains new information and important dates as well as our current discount and refund policies.

The goal of American Heritage Summer Camp is to provide each camper with a happy, healthy, and active experience. Our program offers a variety of activities that will enable each child to enjoy an enriching summer, while making new friends and developing new interests which often last a lifetime. Our Camp Staff has been carefully selected on the basis of experience, character, and leadership ability to achieve this goal by setting positive examples and maintaining high standards of excellence in all phases of camp operations. We look forward to spending the summer with your family!

We are truly excited about the upcoming summer and look forward to seeing all of our returning and new camp families. Please contact the camp office if you have any questions prior to camp enrollment. We hope that your child is having a fabulous and healthy school year.

Sincerely,

Director Bob Stone

WHAT TO BRING TO Summer Camps

JUNIOR CAMPERS: (3-5 year olds)

Each day you will need to pack a bathing suit and towel for your child. If your child has swim early in the day, you will be advised to send your camper in their bathing suit and to pack clothes and underwear in their backpack. Send a plastic bag for wet items being sent home each day. Please remember to apply sunscreen to your camper at home before coming to camp and your child's counselors will reapply it during the day. If your child will wear one, a hat/visor is also a good idea.

Parents of preschool campers who have indicated on the Junior Camp Profile form that they would like to speak with their child's Head Counselor will receive a phone call sometime during the week before camp begins. Here is some additional information you will need as you make your final preparations for the beginning of camp. The following items will remain in your camper's room and should be brought either to **Open House (May 30th 1:00 p.m.-3:00 p.m. come anytime)** or on your child's first day of camp: (Remember that ALL items either worn or brought to camp need to be clearly labeled).

1. A labeled Ziploc bag with an extra set of clothes, including socks and underwear
2. Preschool rest mat for full day 3 and 4 year olds (we sell them in the camp office for \$20)
3. Sunscreen
4. Flip-flops, sandals or Crocs for the walk to and from the pool

SENIOR CAMPERS: (6-15 year olds)

Campers who are completing Kindergarten through the 9th grade need to bring the following items in a backpack to camp each day:

1. Bathing Suit and Towel – Most campers swim each day
2. Flip-flops, sandals, or Crocs for the walk to and from the pool
3. Sunscreen

The following items should NOT be brought to camp as they may be lost or damaged: Electronic game systems/games (Gameboy, DS, iPad, Nook, etc.), phone, MP3/4 player, ear buds, laptop or any other valuable items. We are not responsible for lost or damaged items.

We look forward to spending the summer with you!
