This year we are again building Washington Academy Raider Travel Basketball Teams (Boys & Girls). These teams will consist of players (Girls & Boys) from the entire DownEast Region.

We are inviting all 7th and 8th grade basketball players to attend an informational meeting/ first try-out to be held in the Washington Academy Gym on **23 February 2020 @ 5:00 PM (GIRLS)** or **26 February 2020 @ 5:00 PM (BOYS)**. This meeting will provide the important information regarding practices, tournaments, costs, expectations, etc.

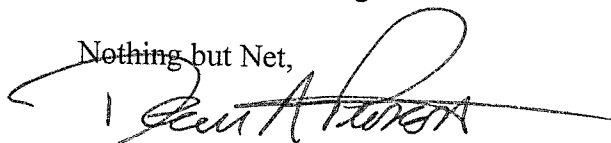

This team will participate in the following tournaments this year. Sheriff's Cup; Woodland; Calais; and Harrington. The dates will be provided at the first meeting.

This opportunity gives our future basketball stars an opportunity to compete against good solid competition while practicing and improving individual skills as well as team concepts. We expect the first tournament to take place on 6-8 March 2020. That gives us a couple weeks of practices before we take the floor.

If you are interested in playing basketball this spring season, please make sure you attend the meeting/try-out.

See you at the meeting!!

Nothing but Net,

Coach Dean A. Preston
