

## SNUGGLE UP WITH A BOOK SUITCASE

Time to take a rest from reading and have someone else read to you!

Share a bedtime story this weekend with either an adult or your brother or sister, along with a hot chocolate, biscuit and a puppet pal.

After you have read the book together, it would be lovely if you could write a short review in the notebook provided, tell us what you thought of the book. If you have time you can also write a comment- we would love to hear what you think about our 'snuggle up with a book suitcase'.

Please return the suitcase, books, notebook, pen and puppet pal to school by next Wednesday, so that they can be used and enjoyed by another member of the class. You don't need to return the sachet of hot chocolate and biscuit though!

Enjoy and happy reading!
