

A NOTE FROM THE ELEMENTARY SCHOOL OFFICE

Dear Parents,

We have now completed our second week of online learning. Everyone is working hard – including you!

This week we have:

1. Worked with the IT Department to help the specialists send their assignments. Please ensure that your child is completing work in ALL of their classes. [Here](#) is the link for Specialist and Mandarin Seesaw classes.
2. Met with the EAL department to plan how they will support our English Language Learners. These teachers will be in contact with relevant families shortly to begin this process.
3. Continued discussions on how we can provide effective feedback during online learning.
4. Met with grade level teams via video conferencing to collaboratively plan and assess needs
5. Compiled data of student engagement in online learning. Students are expected to be completing assignments during online learning. Teachers and administration will be following up with those students who are not completing work or have limited engagement.

We hope things are going smoothly for you at home. We are here to help you should you be having difficulties. Please let us know.

I wish you are healthy, happy and all is well.

Have a nice week,

Ms. Tatz
