## Joining the Friends Council

Joining the Friend's Council is very rewarding and a great way to really get involved with the LEH community and make new friends. It's not all about fundraising, although that is an added benefit of some events, but we endeavour to bring families together and have fun. Some people say they are put off joining the Council as it will be hugely time consuming but please be reassured that most of the roles are not onerous and involve organising one event a year. There is always plenty of help and guidance from other members and non-council members can always be co-opted into helping too. Many events run each year but we do welcome fresh ideas and suggestions on fundraisers and socials.

We can have a maximum of 19 parent members and have three Council meetings a year, usually on the first Monday of each term which we ask members to attend. Mrs Hanbury or Mrs Hughes, Mrs Mortimer and Cathy Millis, one of the school governors, also attend each meeting and together we discuss and plan events, receive updates on our finances and membership, our roles and responsibilities and the school's annual Wish Lists along with any larger donations for school projects. There will email discussions amongst council members on occasions between meetings. In addition, we ask for volunteers to help at induction and welcome events, pastoral evenings and events but there is no expectation that you have to attend every event The Friends organise. When we are up to full complement of members, it is much easier to spread the load.

We also try to meet socially for coffee or drinks from time to time or at some of the events.
