

Committee Chair Report

School Year: 2019-2020

Prepared by: Jennifer Curran

Date: 1/22/2020

Committee Name: International Family

Committee Chair(s): Jennifer Curran

Co-Worker(s): Heather Theis, Misbah Bramouth, Jagruti Braman

What We Accomplished and When: See Attached

When job was started and completed: August 2019 - May 2020

Resources used/needed: Budget: \$500 Used as follows: \$400 for the band King Fez, \$73.29 for Hispanic Heritage Month (this year spent on funding resources for the Spanish teachers), \$7.49 for paper supplies for Hispanic Heritage month, \$12.29 (paper plates for International Potluck)

We already had decorations for HH month, BH month, and International potluck from last year. We also had all necessary table products except plates left over.

Should consider increasing budget for next year to \$600 to account for need to add to decor/tableware in future.

Monies Used/Profits Gained: See above. We do not fund raise with this group.

Difficulties: Need a public place for parent conversation group near/at school during the week. Also need parents willing to come help with this aspect of the group. Ideally we meet weekly with parents so they can practice their English in a casual group.

Suggestions for Next Year:

1) Need additional chairs/members who can help with weekly group and potluck

2) Would love to add a school/academic component to Potluck (every class pick a country to study like we did for the Olympics?)

3) Additional funding (\$600 total) to purchase supplies for potluck, Hispanic Heritage month, and Black History Month..

4) We have talked in the past of doing a monthly lunch club for ESL students and their beginning of year "buddies".
