**REGISTRATION OPENS MARCH 2**  
visit [nextgenerationschool.com](http://nextgenerationschool.com) to apply

## Steps to Apply & Tuition Information

1. Complete the application form ONLINE at [nextgenerationschool.com](http://nextgenerationschool.com)
2. A confirmation and invoice will be sent within five business days of the receipt of your form. It will include a confirmation of the weeks you selected or waitlist information, as well as tuition payment information.
3. Once tuition is received, your registration is complete.

Tuition must be submitted within 48 hours of your emailed confirmation in order to guarantee your selected weeks. Tuition can be paid online through the provided email, or in person at the Primary and Middle School office (2521 Galen Drive, Champaign, IL 61821). Make checks payable to Next Generation School.

*Tuition is non-refundable unless the cancellation is filled with another eligible participant.*

# EXPLORING THE STEAM THEMES

## STEAM FASHION

**Camp Dates: June 1-5**

**Camp Cost: \$300**

Are you ready to design the next fashion craze? Join us in Makers Lab as we sew electronics into our designs to make them light up. Explore unusual materials from duct tape to paper as we create the most ingenious clothing for our intergalactic pop star. Discover how fabrics are made and put your skills to the test as we weave our own creations. Experiment with chemistry as we explore color changing reactions, as well as shock absorbing fluids for the ultimate shock absorbing outfit. Invent the next big thing for the future of superhero fashion with invisibility cloaks and fabric as strong as steel. Create your own color palette and theme for your fashion design based on the colors and patterns around you!

## ARCADE MAKER MANIA

**Camp Dates: June 8-12**

**Camp Cost: \$300**

Using [Caine's Arcade](#) as inspiration, we will design, build, and create our own STEAM Studio Arcade! Come join us as we explore the forces that are present in a pinball machine. Use Makey Makey to create your own Operation game. Discover how magnetism can be used in some of your favorite games! Join us in Makers Lab as we build and design our very own unique STEAM Studio arcade games. We will even create the tokens, tickets, and advertisements while discovering the business side of our arcade. The grand opening will be on Friday afternoon as we open our doors to the other STEAM campers and get feedback on all of our creations!

## A MARK IN TIME

**Camp Dates: June 17-21**

**Camp Cost: \$300**

Come join us as we explore some of the most ancient mysteries, inventions, and wonders of history. Create your own working aqueduct and explore the strength of the column in a Roman Colosseum. Explore Aztec buildings and use your archaeologist tools to hypothesize the culture and lifestyle of these ancient people. Decipher the hieroglyphics left in an ancient cave and discover how time was first kept by building your own clock. Create your own time capsule to be opened in 2039!

## NUTS ABOUT NATURE

**Camp Dates: June 22-26**

**Camp Cost: \$350\***

Become a nature photographer and create works of art for our gallery. Explore the curious world of bats and build the ultimate bat house in Makers Lab. Join us on a nature walk as we classify native plants in Illinois and discover some of their amazing adaptations like spring-loaded seed throwers! You will even learn how to dry flowers in a plant press and use them to make bookmarks! Discover what scat can tell you about the animals that visited the area and then make your own edible scat to teach others! Can you jump as high as a flea? Have you ever been on a 1-meter hike? What can a fish ink print really tell us? Join us as we answer these questions and more over a week that is guaranteed to be any nature lover's dream!

*\*Due to the amount of consumable supplies, this camp's tuition is increased.*
