

NEW! Pay your Pre K or child care 2020-2021 registration fee online

SBISD's Early Childhood program will begin accepting payment for 2020-2021 registration fees online.

Please note that at this time MySchoolBucks will only be used for next school year's registration fees. Tuition cannot be paid through MySchoolBucks, nor can current year registration fees.

If you are already using MySchoolBucks, your account is set-up and ready to go. Just log in and click on the SBISD School Store.

If you don't have an account please go to www.MySchoolBucks.com and register for a free account.

When you register a new account you will be asked to add one or more students to your account.

Child care families: You will not add a student to your account, as child care students do not have an SBISD Student ID number.

Pre K families: If your student has been assigned an SBISD Student ID number you can attach them to your account, but it is not required. You can add multiple students.

Once your account is set up, you may pay the 2020-2021 registration fee with your credit/debit card or electronic check.

Please note that you can only use your credit/debit card or e-check online. We have no facilities for accepting credit card payments on campus at this time.
