

Southam Primary School British Values within the Music Curriculum

British Values are at the forefront of the music curriculum at Southam Primary. Assembly songs are carefully selected to firstly appeal to the children of Southam Primary School and secondly, to promote British Values and well-being amongst our pupils.

Democracy.

Raise My Voice

This feel-good number is our special commission, written by Carrie and David Grant. It will be a real hit with the kids, encouraging them to 'raise their voices' not only in song but also to express their feelings and aspirations.

The rule of law

Individual liberty.

Something Inside So Strong – 'The further you take my rights away'. We discussed the apartheid movement in assembly and how unfair it was. The children talked about how they would feel if they were kept apart from people because somebody decided it was ok to do so. Something Inside So Strong really inspired the children to stand up for their rights as individuals, and as a collective.
