2017-18 School Performance Report

303 224th ST SW • Bothell, WA 98021 • 425.408.4600 • www.nsd.org/franklove

Principal: Katy French

Assistant Principal: Sarah Albertson

Mascot: Cheetahs

Colors: Teal and Black

At Frank Love, we are serious about student success! We encourage students to do their best by promoting academic achievement, independence and responsible citizenship. We are dedicated to ensuring students receive a high-quality education.

Teachers work together to ensure students are working towards their full potential, receiving rigorous and targeted instruction. Teaching teams plan instruction, share resources, and build common expectations. This collaboration allows teams to monitor student learning and ensure growth for every student.

We strive to create an environment that supports collaborative and inclusive practices. Our students engage in meaningful learning opportunities where each member is respected and valued for their contributions.

We are committed to making this a great year of building responsible, resilient, and empathetic learners. We look forward to partnering with our community to provide an equitable and high-quality school experience for ALL students!

Katy French, Principal

Mission Statement: *Frank Love students value learning and are developing the skills necessary to think independently, cultivate their natural curiosity, and become responsible, community-minded citizens.*

Assessments

Northshore School District administers Smarter Balanced Assessments (SBA) in English/Language Arts (ELA) and math in grades 3, 4, 5, 6, 7, 8 and 10; and the Washington Comprehensive Assessments of Science (WCAS) in grades 5, 8, and 11 to students annually in compliance with state and federal laws.

Community Involvement

We value the extremely strong support of our parents, alumni and community members. Volunteer opportunities, both inside and outside of the classroom are available and our PTA/PTSAs support all of our co-curricular programs.

Contact the school for information on volunteer or PTA/PTSA opportunities.

Our school facilities are available for community use at 425.408.7810.

School Improvement Plan

At Frank Love we are committed to deepening student learning in all content areas by implementing research-based instructional models and utilizing high-quality teaching materials. In 2017-18 our focus was primarily in the content area of reading. Our School Improvement Plan was founded on school-wide improvement goals with individual grade-level components feeding into those broader goals. Below are the simplified steps we used in our process:

1. Posed and discussed the question, what are our students' learning needs?
2. Analyzed data (state, district, grade level)
3. Identified specific areas of need
4. Designed a plan to meet the identified needs
5. Implemented the plan for improvement (progress monitoring, adjusting instruction)
6. Returned to step #2 in order to analyze collected data and continue the process.

Our goal with this inquiry cycle was to look for patterns of achievement and need with individuals and/or groups of students. We focused our teaching on those patterns within individual grade levels and classrooms.

School Improvement Plan continued

Additionally, our plan included the development of grade level S.M.A.R.T. goals for all students. S.M.A.R.T. goals are specific and measurable goals directed at monitoring and increasing student achievement. Grade-level teams crafted their goals based on assessment data. Over the course of the year, teams analyzed various assessments in order to monitor student progress. This provided our staff the best opportunity to improve achievement across the entire school, because it encompassed growth indicators for ALL students at Frank Love Elementary.

Facilities

Frank Love Elementary School opened in the fall of 1990. The school was constructed around a central courtyard design with 20 classrooms organized into pods. We have fourteen portable classrooms behind the school, that house third through fifth grade classrooms.

The school is used extensively in the evenings and on weekends to support various community organizations and sports leagues. The playground is always open for community use. Our PTA worked hard to raise the remaining funds required to purchase and install a brand new playground in the spring of 2012.
