2017-18 School Facts

At Westhill, we believe in “Every Child, Every Day”. We provide engaging learning opportunities designed to reach our diverse learners, as well as a place where students, families and staff feel valued and at home. We work to ensure students learn critical thinking skills, team building, leadership and collaboration skills, global perspectives, communication skills, creativity and perseverance that will prepare them for lifelong success after graduation.

Learning is a very social experience and we celebrate the many lessons students teach one another. We value diversity, friendship, civility, empathy and the courage it takes to stand up for others.

In taking a growth mindset approach to teaching and learning, our dedicated staff also engage in continuous professional development opportunities to improve instruction and growth for each student.

School Improvement / Action Plan
Westhill’s work was focused around two goals from our Strategic Action Plan.

**GOAL 2: Responsible, Resilient Empathetic Learners**
- Increase the percentage of students who feel safe, have a sense of belonging and personally meaningful friendships, and believe that their school is vibrant and inclusive, with rules that are fair and equitable

**GOAL 3: Growth for every student, Elimination of Outcome and Achievement Gaps**
- Increase the percentage of students writing at standard in the areas of organization and elaboration.

Our professional practices to support these goals:
- Provided opportunities for professional development by engaging in building- and district-level trainings of social-emotional curriculum and small group writing instruction
- Increased knowledge about differentiation in writing for all levels
- Collaborated within and across grade and content area
School Improvement / Action Plan continued

- Administered common writing assessment three times throughout year to identify and design specific instruction in alignment with learning needs within a PLC model
- Utilized the BEISY (Brief Externalizing & Internalizing Screener for Youth), school-wide culture/climate survey results, and office referral accountability data to make instructional decisions within a multi-tiered systems of support framework for all students in a Respectful, Responsible, Safe environment

Facilities
Westhill Elementary School opened its doors for full-time use on January 7, 1960, and has been an integral part of the Bothell community ever since. Our most recent building remodel was completed in 1994.

Westhill has an office wing housing our main office, nurse's office, staff work room, storage area and lounge. Another wing houses our music rooms, gym, kitchen facilities and custodial area. We have two classroom wings—a primary wing and an intermediate wing. We added five portable classrooms. All classrooms have been retrofitted with updated technologies for instruction and student use. This link to the most current technologies has been vital to our goal of preparing our students for success in the 21st century.

Westhill students, local sports organizations and various community groups enjoy our spacious playfield and playground area, along with our gym. PTSA donations have supported playground enhancements that provide additional areas for student play and recreation.
