Welcome:

Our focus at Kenmore Middle School is to support the student as a whole. In doing so, we support, encourage, guide and direct/re-direct your students, while they make sense of the world around them. We teach relevant, rigorous material that helps prepare our students to follow their dreams and passions into high school and beyond. Our capable and experienced staff are thoroughly committed to meeting our students' where they are, to ensure academic successes. We see great value in their development as happy, healthy, productive and responsible citizens in a changing world. Our academic program includes core curricular areas of social studies, mathematics, science, English and health/fitness. In addition, we offer a strong elective program, featuring music, technical education, art and world languages. Feel free to contact us if you have any questions regarding our school. Check out our school website for specific contact information. We look forward to serving our students and our community.

Bryan Stutz, Principal

Mission Statement: *It is the mission of our school to help all students realize their full potential and become responsible, productive citizens and life-long learners who appreciate our diverse society and are able to use technology effectively to prepare for the challenges of the future.*

S= Suppressed data by OSPI. Aggregate data must sometimes be withheld from public display when it could potentially be used to identify or derive information about individual students.

Community Involvement

We value the extremely strong support of our parents, alumni and community members. Volunteer opportunities, both inside and outside of the classroom are available and our PTA/PTSAs support all of our co-curricular programs.

Contact the school for information on volunteer or PTA/PTSA opportunities.

Our school facilities are available for community use at 425.408.7810.

School Improvement Plan

The Kenmore Middle School Improvement Plan for the 17-18 school year focused on the whole child. We chose two goals for our focus; one centered around the social/emotional needs of our kids, and the other goal centered around improving the academic achievement of our students. The two goals were:

- Increase percentage of students who feel safe, have a sense of belonging and personally meaningful friendship, and believe that their school is vibrant and inclusive, with rules that are fair and equitable.
- Increased percentage of students meeting standard in core subjects.

As a staff we created actionable steps that each curricular department, within our school, would take to address our two goals. We collected data to monitor our progress, which will serve as our baseline, and we will adjust based on the data to meet our goals. This work is paramount to our transition, as we moved from a seventh through ninth grade junior high schools to a sixth through eighth grade middle school.

Facility Information

Kenmore Middle School is one of the oldest schools in the district, having opened in 1961. We completed three major modernization phases.

The first phase replaced our gym, main office and library; and the second phase completed construction of a new wing housing our science, art and several other classrooms. This phase also included the reconfiguration of our parking lot and student drop-off areas.

Phase Three was completed in late 2012 and resulted in the modernization of the rest of our campus. We are excited about our improved school facilities and are grateful to our community for funding these projects through supporting Northshore School District bond elections.
