

North Creek High School

Creating the future one student at a time

2017-18 School Performance Report

3613 191st PL SE • Bothell, WA 98012 • 425.408.8800 • www.nsd.org/northcreek

Principal: Eric McDowell

Assistant Principals: Rick Ferrell, Sharyn Mehner and Joseph Robertson

Mascot: Jaguar

Colors: Purple, Silver and Green

I am very proud to serve as the Principal of North Creek High School.

Our academic program is exceptional. We offer more than 30 Advanced Placement and/or College in the High School courses where students can earn college credit while in high school. Our Science, Technology, Engineering and Mathematics (STEM) department offers courses like Engineering Design, Aviation and Robotics and our World Language courses open up worlds for our students. Equally impressive are our Arts, Visual Arts and electives programming.

The North Creek family is comprised of many religions, cultures, ethnicities and races. We are richer for this diversity and we do everything we can to celebrate the richness of the mosaic tapestry that is our community. The teachers, staff, counselors and administrators at North Creek truly care about each and every student and give of their own time to help students succeed. Students should know that they can go to any adult on campus and that adult will help them with whatever they need.

Finally, our extra curriculum programs will continue to grow and develop in future years and the possibilities are endless.

Dr. Eric McDowell, Principal

Mission Statement: *The mission of North Creek High School is to inspire and develop students and staff to become stewards of innovation, collaborative problem solvers, creative thinkers, caring and compassionate citizens, environmental champions, servant leaders and social justice activists in service toward making a positive impact on our local and global community.*

Assessments

Northshore School District administers Smarter Balanced Assessments (SBA) in English/Language Arts (ELA) and math in grades 3, 4, 5, 6, 7, 8 and 10; and the Washington Comprehensive Assessments of Science (WCAS) in grades 5, 8, and 11 to students annually in compliance with state and federal laws.

	ELA	Math	Sci
	17-18 SBA	17-18 SBA	17-18 WCAS*
Grade 10	90	74.3	●
NSD	87.9	68.2	●
State	69.5	40.6	●
Grade 11	●	●	49
NSD	●	●	48.1
State	●	●	30.3

*First year of WCAS / not a graduation requirement

Community Involvement

We value the extremely strong support of our parents, alumni and community members. Volunteer opportunities, both inside and outside of the classroom are available and our PTA/PTSAs support all of our co-curricular programs.

Contact the school for information on volunteer or PTA/PTSA opportunities.

Our school facilities are available for community use at 425.408.7810.

Class of	SAT Mean Scores			ACT Composite Scores		
	2016	2017	2018	2016	2017	2018
North Creek	n/a	n/a		n/a	n/a	
NSD	1688	1194		25.6	25.4	
State	1488	1072		23.1	21.9	

School Strategic Action Plan

During the opening school year of 2017-18, North Creek High School took on two Strategic Action goals in alignment with our District Strategic Action Plan. We review our student data and identify goals that guide the work we do to ensure each of our students learns at high levels and, ultimately, is prepared for success in career, college and life.

Our goals the 2017-18 school year and their related measures for success were:

Goal 3: Growth for Every Student, Elimination of Outcome and Opportunity Gaps

- Increased percentage of students meeting standards in core subjects
- Reduction of the disproportionalities in discipline, suspension and expulsion rates across student-groups

North Creek High School

Creating the future one student at a time

School Strategic Action Plan continued

Goal 5: Ready for Lifelong Success after Graduation

- Increased percentage of 9th grade students on-track for graduation
- Increased percentage of students who graduate on time
- Decreased high school dropout rates

Facilities

North Creek High School opened in the fall of 2017 with the mission of serving the expanding population of the north end of the district. North Creek is built on a 61 acre campus and facility is comprised of three buildings with a total of 225,000 square feet.

Funded through the 2014 capital bond, North Creek was designed for 21st century learning, ensuring that spaces accommodate evolving technology as well as both teacher and student collaboration. Deep green design was a significant component of the project with a very high level of sustainability as a goal.

Learning Outside

Highlights of outside learning spaces include: protected wetlands with interpretive boardwalk, rain sculptures and gardens, accessible green roof, sustainable landscaping and much more to explore.

Learning Inside

Highlights of inside learning spaces include: open, flexible teaching spaces, collaborative spaces including collaboration cubes, LED screens and wireless for bring-your-own-device capability, flexible maker spaces to accommodate forward-thinking course design such as engineering, biomedical science and much more.

Built Green

North Creek High School incorporates geothermal heating and cooling, solar power, storm water retention and recycled, recyclable and reclaimed materials. Multiple interpretive boards are located throughout the school's campus. Organized into four major themes (energy, life, water, materials), these boards indicate sustainable features and how the buildings and site function as a critical educational tool.
