For over three decades, Woodinville High School has developed a reputation as a premiere high school in Washington State through a partnership between its students, teachers, staff, parents and community. Woodinville ranks as one of the best comprehensive high schools in the nation - where academic and extra-curricular excellence are at the forefront of all we do.

Woodinville’s theme, “One Falcon, One Family”, and motto, “Care, Respect, Leadership”, recognize our shared mission to develop the mind, body and spirit of our students into a family of caring, respectful leaders and productive, life-long learners. This is accomplished by meeting the academic, physical, social and emotional needs of our students within a safe learning environment, and creating a positive culture that honors the diversity of all students.

Each year, we review our student data and identify goals that guide the work we do to ensure each of our students learn at high levels and, ultimately, are prepared for success in career, college and life.

Kurt Criscione, Principal

Mission Statement: *The mission of Woodinville High School is to become a community of learners, providing a safe and encouraging environment for developing the mind, body and spirit.*

School Improvement / School Action Plan

Continuous school improvement optimizes the effects of good teaching, quality leadership, and common goals. It is essential in providing a quality educational program that ultimately increases student achievement and prepares our students for lifelong success after graduation. With a focus on growth for every student, the elimination of outcome and opportunity gaps, and increasing the percent of 10th-grade students meeting or exceeding standard on the English Language Arts and Math Smarter Balanced Assessments and 11th-grade students on the Washington Comprehensive Assessment of Science, WHS addressed improved student learning through a variety of endeavors:

- Increased the capacity and utilization of effective instructional practices by developing a deeper understanding of the state evaluation model using the Danielson framework through the use of Learning Walks.
- Provided opportunities for teacher professional development through areas such as peer observations of student work, collaborative teams, classroom observations, differentiated instruction and technology instruction.

School Improvement / School Action Plan continued

- Further developed Professional Learning Communities (PLCs) throughout all departments, focused on aligning curriculum, creating common assessments, and improving instruction through collegial sharing and accountability.
- Provided frequent and ongoing cultural competence professional development to all staff.
- Evaluated instructional practices and collaborated to establish essential outcomes, plan lessons, and develop and score common assessments.
- Provided effective communication with parents and community with an electronic principal newsletter and website enhancements.

Facility Information

Woodinville High School opened in 1983 with the mission of serving the expanding population of the city of Woodinville and nearby environs. The 40-acre site of Woodinville High School sits on the east side of the Northshore School District within the city limits of Woodinville.

In 2006, voters approved \$18 million in bonds to fund the first of two planned phases of renovation for Woodinville High School. Construction for the first phase began in 2008 with substantial completion in 2009. Voters then approved a 2010 bond and the second phase of renovations began in the fall of 2011. Phase II, a classroom building project, made the school a state-of-the-art facility. Incorporated into the classroom building project were:

- Thirty-seven larger general classrooms, nine science classrooms, one health occupations classroom, three business/computer classrooms and a gym annex
- Classrooms equipped with an interactive white board and a voice amplification system
- Flexible teaching areas that accommodate individual and group instruction
- Wider hallways and stairs
- Improved natural light
- Centralized campus services with a commons
- Clear fields of view to enhance supervision and security
- Increased parking capacity

Additionally, three performing arts classrooms and a theatre opened in the fall of 2012. In February 2014, voters approved a bond to fund the final phase of the WHS remodel to modernize the athletic wing and the technology and fine arts building. The remodeled fine arts wing reopened in early 2016, and the athletic wing by the start of the 2016-17 school year.
