## **Goal 2 Responsible, Resilient, Empathetic Learners**

Between September 2018 and May 2019, we will decrease the number of students being flagged at needing interventions based on scored intrinsic and extrinsic behaviors, as measured by the BEISY administration, discipline referrals, and data collection from teachers and staff.

To work on this goal, we have chosen the following instructional strategies that are culturally responsive, high leverage, and adhere to universal design for learning. These strategies will be used in Cottage Lake's classrooms and throughout all learning environments. These strategies we have chosen are based on best practices and have been shown to make a positive impact on student learning.

- Modeling, Teaching, and Reinforcing school-wide behavior expectations.
- Establish reset area in classrooms and utilize Discipline support classrooms.
- Daily reinforcement of school expectations and character Virtues through Virtue Vouchers.
- Provide ongoing staff professional development to support prevalent unexpected behaviors and continual growth and learning.
- Explicit instruction on expected/unexpected behaviors:
  - Classroom lessons on Second Step/Anti-bullying
  - Strengthen the Zones of Regulation knowledge and usage.

## **Goal 3 Growth for Every Student, Elimination of Outcome and Opportunity Gaps**

Between September 2018 and June 2019, at least 80% of Kindergarten-5<sup>th</sup> grade students at Cottage Lake will reach standard/annual progress goals at the end of the year in writing, focusing on the Development writing strand [elaboration and craft], as measured by standards-based Writing Rubrics (Development Strand), and/or Units of Study Writing Progressions (Development Strand), and/or IEP developmental goals for Preschool/FSA/Sensory students.

To work on this goal, we have chosen the following instructional strategies that are culturally responsive, high leverage, and adhere to universal design for learning. These strategies will be used in Cottage Lake's classrooms and throughout all learning environments. These strategies we have chosen are based on best practices and have been shown to make a positive impact on student learning.

- Provide daily opportunities for writing across the content areas, with a focus on using academic vocabulary.
- Explicitly teach and integrate three forms of writing (Opinion, Narrative, Informative) throughout content areas.

- PLC time monthly to discuss student data, work samples, and teaching strategies to move writers throughout the year.
- Confer with students about writing, giving them opportunities to revise with accurate feedback.
- Create vertically aligned grammar and convention rubrics.
- Incorporate four-tier rubrics into writing lessons/activities.

## Facility Information

Cottage Lake Elementary School was built in 1958 on 10 acres. It is a beautiful school community, situated just off Avondale Road, and is surrounded by mature grounds that give a feel of a quiet, park-like setting.

Phase One of the building and site modernization was completed in 1999 and included a new gymnasium, administration building, four new classrooms and a multi-purpose room that serves as a cafeteria. Phase Two, completed in 2005, included 16 classrooms, a library and computer lab. Cottage Lake embraced the sustainable design features of natural ventilation, natural lighting and a low impact design for stormwater infiltration called rain gardens.
