## School Strategic Action Plan continued

### **GOAL 2: Responsible, Resilient, Empathetic Learners**

All students at East Ridge Elementary will have an increased connection to school and positive relationships. This includes feeling safe, having an increased sense of belonging and personally meaningful friendships, and believing that our school is vibrant and inclusive, with rules that are fair and equitable, as measured by an increase in positive student survey responses between fall 2018 and spring 2019.

### **GOAL 3: Growth for Every Student, Elimination of Outcome & Opportunity Gaps**

All students at East Ridge will have a minimum annual academic growth in **WRITING** at the rate of one year for students at/above grade level, and more than one year for students below grade level, as measured by components of the On-Demand Writing Rubric from the Units of Study Writing Kit (rubric components measured varies by teacher).

To work on this goal, we have chosen the following instructional strategies that are culturally responsive, high leverage, and adhere to universal design for learning. These strategies will be used in East Ridge's classrooms and throughout all learning environments. These strategies we have chosen are based on best practices and have been shown to make a positive impact on student learning.

#### **Focus on Setting Clear Objectives and Providing Formative Feedback**

- Teach writing at least 4 days per week. Lessons include explicit teaching (clear objectives and communication) in the mini-lesson, followed by independent writing.
- Teachers conduct 1:1 conferences to assess, provide explicit formative feedback, coach, and teach students to meet individual needs.
- Implement small group instruction to provide explicit, targeted instruction and support for students who are not yet meeting standard. Teachers will develop clear objectives and communicate them effectively to students.

#### **Facilities**

East Ridge Elementary School opened its doors in 1991. The school is located in the far eastern part of the district in the Saybrook neighborhood. There are 20 classrooms in two buildings separated by a grassy courtyard. The gym, library and fields are used extensively in the evenings by the community and for special school events.
