**Principal:** Bill Bagnall

**Assistant Principal:** Sirinivas Khedam

**Mascot:** Leopard

**Colors:** Blue, Yellow and White

Lockwood Elementary is one of the few schools in the Northshore School District that supports students with unique abilities in three programs: Special Education, PACE and EAP. We strive to prepare our students both academically and socially.

Our school community is enhanced by our strong parent partnerships. Our Lockwood PTA and Parents Active in Cooperation Education (PACE) work in collaboration to support and enrich the classroom learning experience for every student. Parent leadership is key to our success and the well-being of our school community.

Lockwood has highly competent and dedicated staff members who work tirelessly to support every child's learning. They are committed to meeting students at their level to help them reach their potential. Lockwood teachers and support staff participate in ongoing professional development linked directly to our School Action Plan. We embrace new challenges in order to better serve our students.

Bill Bagnall, Principal

**Mission Statement:** *Lockwood Elementary School provides a learning community that recognizes all students as capable learners. We promote high standards, expect accountability and celebrate success. Cooperation, responsibility and confidence promote our goals of lifelong learning and responsible citizenship for their future.*

### School Strategic Action Plan

At Lockwood, we provide a learning community that recognizes all students as capable learners. We promote high standards, expect accountability and celebrate success. Cooperation, responsibility, and confidence promote our goals of life-long learning and responsible citizenship.

Each year, we review our student data and identify goals that guide the work we do to ensure each of our students learns at high levels and, ultimately, is prepared for success in career, college, and life.

Our goals for the 2018-19 school year and their related measures for success are listed below. These goals and measures are aligned with Northshore's Strategic Action Plan.

#### GOAL 2: Responsible, Resilient, Empathetic Learners

#### GOAL 3: Growth for Every Student, Elimination of Outcome & Opportunity Gaps

## **GOAL 2: Responsible, Resilient, Empathetic Learners**

Each student will feel safe as a responsible and persistent learner, open to and accepting of diverse cultures and perspectives, and empowered to advocate for and pursue own educational passions.

To work on this goal, we have chosen the following instructional strategies that are culturally responsive, high leverage, and adhere to universal design for learning. These strategies will be used in Lockwood's classrooms and throughout all learning environments. The strategies we have chosen are based on best practices and have been shown to make a positive impact on student learning.

- Review PAWS and identify attributes for each PAWS that are measurable
- Post PAWS in the classrooms, cafeteria, gym, hallways and other places where students can see them
- Identify the reward system in consultation with the PBIS team
- Use the Second Step program and/or The Zones of Regulation to reinforce positive actions and improve student self-regulation
- Reinforce positive actions wherever there is an opportunity (Gym, Cafeteria, Playground, etc.)

## **GOAL 3: Growth for Every Student, Elimination of Outcome & Opportunity Gaps**

Between September of 2018 and April of 2019, all Lockwood students will demonstrate growth in a specific grade level math strand/concept as identified by multiple data points.

To work on this goal, we have chosen the following instructional strategies that are culturally responsive, high leverage, and adhere to universal design for learning. These strategies will be used in Lockwood's classrooms and throughout all learning environments. These strategies we have chosen are based on best practices and have been shown to make a positive impact on student learning.

### **Facilities**

Lockwood opened its doors to students in November 1962. Our school grounds connect with Kenmore Middle School fields. We have had many facility improvements including new energy efficient windows, blinds and upgrades to the heating and ventilation systems. The technology levy supported sound speakers installed in every classroom. Facility use includes community baseball, soccer and basketball teams, district track and field and cross country meets, chess club, Math Olympiad competitions, Boeing science club, after-school drama club, before-school district orchestra programs and many other events.
