Principal: Steve Hopkins

Mascot: Eagle

Colors: Royal Blue, Orange and White

Welcome to Sunrise Elementary School! We are the Eagles, and we SOAR each day (Strive to do your best, Offer Kindness, Act Responsibly, Respect Self and Others). No matter your child's learning needs, our commitment is to provide the best possible education for every single student. The Sunrise staff is highly dedicated to the goal of differentiating instruction and support to meet the needs of individual students.

I am honored to work with a team of professional educators whose dedication and commitment to teaching are shown not only through their work with kids, but also in their interactions with colleagues, parents and our community. On a consistent basis, staff members work together to analyze student work and data, as well as plan instruction.

I encourage you to keep updated on what's happening at Sunrise through our school website, as well as Facebook, Twitter and Instagram.

Sincerely,
Steve Hopkins, Principal

Mission Statement: *We, as part of the Sunrise community, believe that the team effort of staff, parents and students is based on mutual trust, respect and honest communication. Students are provided opportunities to develop responsible decision-making skills through a balanced, integrated curriculum. A nurturing and affirming learning environment provides freedom for all to take risks and grow.*

School Strategic Action Plan

At Sunrise Elementary, we help every student imagine the possibilities of their future.

Each year, we review our student data and identify goals that guide the work we do to ensure each of our students learns at high levels and, ultimately, is prepared for success in career, college, and life.

Our goals for the 2018-19 school year and their related measures for success are listed below. These goals and measures are aligned with Northshore's Strategic Plan.

GOAL 1: Success in the Early Years

During the 2018-19 school year, any Sunrise student in Kindergarten through 3rd grade not meeting the expected criteria for social-emotional, physical and cognitive development will receive additional, intentional support from the classroom teacher, and/or Sunrise support staff. Assessments used to determine if students are meeting expected criteria for social-emotional, physical and cognitive development will include WA Kids, Classroom Based Academic Assessments in PE, Music, Reading, Writing, Math, Science, and Second Step.

To work on this goal, we have chosen the following instructional strategies that are culturally responsive, high leverage, and adhere to universal design for learning. These strategies will be used in Sunrise classrooms and throughout all learning environments. The strategies we have chosen are based on best practices and have been shown to make a positive impact on student learning:

- Structuring collaborative learning experiences
- Implementation of Tier 1 PBIS: Clearly and consistently Teaching Sunrise SOAR Expectations
- Building Relationships
- Utilizing the Gradual Release of Responsibility
- Clearly stating learning expectations in student friendly language
- Providing ongoing feedback throughout a lesson and unit

GOAL 3: Growth for Every Student, Elimination of Outcome & Opportunity Gaps

Between September 2018 and June 2019, all students at Sunrise Elementary will demonstrate one year's growth in math, with students not at grade level at the end of the 2017-2018 school year, demonstrating more than one year's growth.

To work on this goal, we have chosen the following instructional strategies that are culturally responsive, high leverage, and adhere to universal design for learning. These strategies will be used in Sunrise Elementary's classrooms and throughout all learning environments. The strategies we have chosen are based on best practices and have been shown to make a positive impact on student learning:

- Structuring collaborative learning experiences
- Clearly stating learning expectations in student friendly language
- Utilizing the Gradual Release of Responsibility
- Utilizing Math Talk as a strategy for engaging all students
- Assessing for understanding throughout lessons and units of instruction
- Applying Depth of Knowledge (DOK) to mathematical concepts
- Integrating technology to compliment instruction
- Using 3Act Tasks and other real world problem solving activities as a way of authentically applying mathematical concepts

Facilities

Sunrise Elementary School opened in 1985, and in recent years the building received updates to the roof and the environmental controls. The main academic building is a two-story brick structure that includes our classrooms, computer lab and a science lab. There is a multi-purpose building containing the gym, kitchen and activity room, which can be converted to a stage for performances. The music room is in a separate structure adjacent to the multipurpose building, as is the day care program run by the Northshore YMCA.
