Everyone Counts Elmhurst – Census 2020 Begins in March

Census 2020 is coming to your mailbox in March 2020! Participation is critical for our community.

When you respond to the census, you help Elmhurst get its fair share of the more than \$675 billion per year in federal funds spent on schools, hospitals, roads, public works, and other vital programs. Federal funds, grants, and support to states, counties, and communities are based on population totals and breakdowns by sex, age, race, and other factors. The community benefits most when the census counts everyone.

See how local leaders came to together to promote the importance of [Census 2020](#) to Elmhurst's future success.
