**As the parent and/or legal guardian of the above child, I confirm I have given my consent to his/her independent travel to the UK & application to study at Brooke House College & to the terms as set out below**

**Airport Transfer** Brooke House College recommends that all students under 18 book a Brooke House airport transfer service. The meet & greet arrangement is provided by DBS checked drivers. Drivers are instructed to have the student’s full name written on a branded sign. A booking confirmation will be issued by the College and should be carried by the child on the day of travel. If I do not wish to use the transfer service I am confident that my child is capable of independent travel to the College. I am aware that if there is any concern at all about my child’s welfare, the officials at the port of entry will need to be entirely satisfied that they will be safe before allowing them to leave.

**Care & Accommodation** Brooke House College will make arrangements for my child’s care & accommodation while studying in the UK. My child will reside in supervised College boarding accommodation on a full board basis during term time & half term breaks. I understand that College Boarding Accommodation is not available during the Christmas & Easter vacation breaks (dates as published by the College) & I am responsible for making arrangements for these periods and fully informing the College of these arrangements in a timely fashion.

*\* If I am arranging Private Foster Care for my child’s details will be provided on a separate Private Accommodation Form*

**Travel** I understand that if my child wishes to travel away from the College and stay away overnight e.g a weekend away, I will need to submit a consent form for each occasion.

**Medical** I understand my child will receive information on medical & dental care (Doctor, Dentist, Accident & Emergency) in the UK and qualified First Aid is provided on site.
