

Whitgift Outdoor Education

In new and wild environments, and with a spirit of adventure and enjoyment, we intend to teach the boys the virtues of teamwork and leadership. By taking them out of their comfort zones, and introducing them to unfamiliar and exciting activities, we aim to have a positive influence on their overall development. We hope that they leave the School with essential life skills, as well as fond memories.

Mr Ben Green
Head of Outdoor Education

Whitgift. From foundation to excellence.
