- ◆ **3 Hepatitis B**
- ◆ **2 Varicella (chickenpox)**

Starting July 1, 2018, proof of immunity to disease(s) can be accepted in place of vaccination only if a document from a health care provider stating the student previously contracted the disease is presented to the school.

For children whose parents claim an exemption to immunization for medical, religious, or personal reasons, a copy must be presented to the child's school.

For questions regarding your child's immunization status, contact your child's health care provider, your local health department or the Immunization Hotline 1-800-275-0659.
