Mr. Bertoldi –

- 2019/2020 School Improvement:

Discussed current goals and monies used year to date. Review middle of the year DIBELS data. Talked about changes made with tutor groups and adjusting to the needs of the students.

- Plan for 2020/2021 School Improvement Plan:

Wasatch has HP's and iPad's on a 4 year lease. This lease will be up next year. This requires Wasatch to come up with \$15,000 to keep up with our technology rotation. Trustlands funds will be used to help with this rotation. \$5,000-\$10,000 will be used depending on other funding that will be allocated soon. TSSA money and Title 1 money will also help in keeping our technology needs met.

- Attendance: Year to date chronic absense students are at 5%. We are on target to meet our goal.

Family Nights: Math night will be March 26th from 5:30-7:00

Next Meetings: No further meetings needed this year. Learning first planning day is March 24th at 8:00 at the District Offices.
