## **Schüler der Munich International School schließen das internationale Abitur mit der Traumnote ab**

### **Perfect scores for two Munich International School students**

Munich International School (MIS) is proud to announce some outstanding results of its 2015 graduating class.

**Cara Reiter-Brennan** and **Paul Aurel Diederichs** achieved a perfect International Baccalaureate (IB) Diploma score of 45 points. Only 160 students in 2015 out of 140,000+ who sat the IB examinations world-wide achieved this distinction.

Other outstanding results include:

- 7 students (6.5% of 2015 graduating class) who scored a perfect 1.0 G.P.A. on the German scale (Abiturdurchschnittsnote)
- 13 students (12% of 2015 graduating class) who scored 40 IB Diploma points or above (phenomenal result!)
- 32 students (30% of graduating class) who scored at least a 1.X G.P.A. on the German scale (Abiturdurchschnittsnote)

“Congratulations to the members of the Munich International School class of 2015 who achieved sensational results on their IB Diploma examinations. Aside from generally very good results over all, a number of students significantly surpassed their personal performance goals and a large proportion of the class ranked among the top students in the world”, reported new Head of School, Timothy Thomas.

Munich International School was founded in Harlaching in the Munich city centre in 1966 and moved to its current site in Starnberg in 1968. The School will celebrate its 50<sup>th</sup> Anniversary in 2016.
