Mr. Ariesto - 6th grade Math

This is Mr. Ariesto's 1st year with Haverford School District but has taught 6th grade for 7 years. Attended Widener University where he played football and earned both his bachelors and masters degree. When not working in school, I enjoy working on home renovation projects, working out, and spending time with my wife and 6 month old son. I enjoy spending time in the summer in Ocean City, NJ. I really enjoy working in Haverford School District. It gives me the opportunity to work alongside a bunch of fantastic educators and really awesome students.

Interesting Facts:

- I grew up in New Jersey
- I have a pitbull named Tyson
- I was once an extra on Game of Thrones.
- I was the class clown in high school.
