

Summer 2020 Internship Application

Summer at St. Mary's is seeking rising 8th grade through rising 12th grade St. Mary's students to assist with munchkin camps and day camps. Our munchkin camps serve our rising PK - SK boys and girls and our Day Camps serve our rising 1st - 7th grade girls. Internship candidates should have an enthusiasm for working with children and be comfortable following programming schedules such as crafts, swimming, water play, free play, structured games and recreation, service projects, and more.

Summer at St. Mary's requires that all interns must reapply every year; new prospective interns must also complete an interview. Interviews are not required for returning interns. Space is limited in the internship program.
