**WHERE:** Performing Arts Centre (PAC)

**WHEN:** Friday 20 November

14:15 - 15:15 (during early release)

Thanks to the MIS Foundation, adventure filmmaker Anthony Bonello of Salomon Free Ski TV will be on campus on the 19 and 20 of November to work with Middle School students and to have a special screening of his new film 'Eclipse'. His film recently won the 2015 Bamf Mountain Film Festival for Best Snow Film, and on Friday afternoon he will have a Q&A session, as well as showing never before seen deleted scenes. This is a great opportunity for the MIS community to not only see the film, but also to speak with the filmmaker, hear his perspective on what it is like to find and share your voice with the world, and to get motivated for the upcoming ski season!
