

SIGN Open House

Tuesday, March 3

**3:30-5:00pm at
SIGN Headquarters**
451 Hills Street, Richland, WA

Come learn about **SIGN** Fracture Care
& the patients we help around the world.

Who is **SIGN Fracture Care**?

SIGN is a humanitarian organization that builds sustainable orthopaedic capacity in developing countries by providing relevant education to surgeons, then designing, manufacturing, and donating the instruments and implants needed to treat patients with fractures.

Interactive Displays, Surgery Demos & Q/A provide a hands-on perspective of jobs in:

Engineering	Global Health
Manufacturing	Information
Quality Control	Technology

RSVP & learn more at:
