

EMPLOYMENT OPPORTUNITY.....

Looking for someone who is a team player willing to work as a team to do what is best for our current clients and show potential clients why our office is the best office in the Tri-Cities to take care of their insurance and financial service needs. Service work for current clients includes contacting people regarding billing issues and necessary legal documents, working with our service partners to make sure our clients policies remain in good standing and answer any questions a client might have about their policies. In addition to taking excellent care of our existing clients we have conversations with potential new clients to see if we are a good fit for their insurance and financial service needs.

No experience necessary. We will train someone who is a good fit for our office. Must be willing to get Washington State licensed in Property & Casualty and Life & Disability. Must be able to pass a background check.
