To fulfill the DAC responsibility:

C.R.S. 22-11-302(1)(b) – To advise its local school board concerning preparation of, and annually submit to the local school board recommendations regarding the contents of, a district performance, improvement, priority improvement, or turnaround plan, whichever is required based on the school district's accreditation category. In advising and preparing the recommendations, the school district accountability committee shall make reasonable efforts to consult in a substantive manner with the school accountability committees of the school district and shall compile and submit to the local school board the school performance, improvement, priority improvement, and turnaround plans submitted by the school accountability committees pursuant to sections 22-11-403 to 22-11-406.

2015 DAC Recommendations on the District Unified Improvement Plan

The DAC does not have any concrete recommendations for the 2014-15 draft UIP that was shared with the DAC on March 31, 2015. In anticipation of the 2015-16 UIP, however, the DAC does have the following recommendations:

- Align the UIP with the strategic plan, as much as is feasible.
- Provide the district UIP to the DAC much sooner in the school year to allow enough time for the DAC to provide meaningful recommendations to the BVSD board.
