## Agenda

---

- Welcome
- Dropoff and Pickup Safety Review

## Minutes

---

- Ryan Van Natter shared the results of the study done on the parking and student drop-off areas. Consultation was done with Clinton City police, DSD security, DSD facilities, and DSD risk management. The determination was that our current plan is the best fit with the structure of the lots and drop-off areas. We discussed the limitations shared by the various agents.
