

2021/2022 Board Approved Fee List

Each year, schools submit fee requests that meet the criteria outlined by BVSD Policy JN and Colorado Revised Statute 22-32-117(2)(a)(c). The Board of Education must review and approve any fees that schools may charge for optional items to supplement the various grades/classes. The fees listed below are maximum amounts that would be allowable by the Board of Education. At their discretion, schools may charge fees which are lower than the approved maximum. Please see 'Facts about Fees' for more clarification on fees.
