

CLASS OF 2021 TESTING REQUIREMENTS

ALL juniors are required to take the following online assessments to meet graduation requirements

US History April 9

- Science April 7
- SAT April 14-15
- Students will be reviewing and practicing with the online portals through their science, math, English, and US History courses.
- Kahn Academy is the preferred tutorial program for the SAT. All students have access to Kahn Academy and have linked this account to their Collegeboard accounts. The linking of these two accounts provides students with Free personalized tutoring to adequately prepare for the SAT.

The SAT is FREE and is a college eligible reporting exam.
