## **Forward**

Wayne RESA is please to publish an Independent Educational Evaluation Resource Directory. It is meant to provide a listing of available evaluators in the Greater Wayne County Area to assist in the implementation of Federal Regulations, as well as, R340.1723c of the Michigan Revised Administrative Rules for Special Education, Supplemented with IDEA Federal Regulations, September, 2013.

**This listing includes persons who responded to an invitation to be included in this document but are not endorsed by Wayne RESA.**

Since each evaluation is unique, it is suggested that school district staff ensure that any recommended individual evaluator or clinic meet the appropriate qualifications for the particular evaluation being requested.
