

ADMINISTRATIVE REGULATIONS REGARDING CLASSIFICATION OF EDUCATION RECORDS

2. Category A records shall be maintained for at least fifty (50) years after the student leaves the school district or graduates.
3. All Category A records created by the district shall include the student’s state-assigned student identifier (SASID).
4. Notice of a student’s suspension or expulsion shall be expunged from the student’s cumulative education record if the student graduates from high school, except for notice of an expulsion of a student in grades nine through twelve, inclusive, based upon possession of a firearm or deadly weapon.
5. *In cases where a student is suspended or expelled for the first time, and the Administration or the Board, respectively, has shortened or waived the period of suspension or expulsion in accordance with the Board’s disciplinary policy relating to first time offenses, the Administration or the Board, respectively, may choose to expunge such notice of suspension or expulsion from the student’s cumulative record at the time the student completes the specified program and any other conditions imposed by the Administration/Board, rather than upon graduation. The Board may choose to expunge an expulsion notice from a student’s cumulative record prior to graduation if such student has demonstrated to the Board that the student’s conduct and behavior in the years following such expulsion warrants an expungement. Should the notice be expunged in accordance with one of these provisions, a record of the fact that the student had been suspended or expelled shall be maintained apart from the student’s cumulative record, for the limited purpose of determining whether any subsequent offenses by the student would constitute the student’s first suspension or expulsion.
