Editorial.

SINCE our last issue a new editor has been appointed, the retiring editor, H. T. Bourne, having to work this year for the Sydney Senior Exam. The present editor hopes to give his readers every satisfaction.

In the current number of the Magazine are given, our scores in the first quarterly cadets' shooting match, as well as the scores of the Maryborough, Ipswich, and annual Old Boys' cricket match. Our First Cricket Team has been doing fairly well in its grade (B Grade Senior) this season, and at present is well up on the list.

This issue also contains an account of the Annual Swimming Sports. The entries this year were very numerous, and the events were eagerly contested. A new feature at the Swimming Sports this year was the Obstacle race, for which there were 49 entries.

We have much pleasure in stating that 9 candidates from the School passed the Sydney Senior Exam. last year, gaining several medals. Castlehow also secured the Sydney Senior Prize; Norman Leslie secured the Rhodes' Scholarship this year.

The Empire Shooting Team was not so successful as last year, although we came top of the Australian Schools. We hope to send up a large number of candidates for the Sydney Junior Exam. this year.

Our school year started very successfully, but unfortunately, our work has been interrupted by the outbreak of dengue fever.

We are printing in this number, photographs of Castlehow and of the Rowing Four.

Dr. H. Lethbridge has generously sent us a donation to the funds of the Magazine. His example will doubtless be followed by large numbers of Old Boys.

MR. S. CASTLEHOW.

S. Castlehow, winner of the Sydney Senior Prize for General Proficiency, also of the University Scholarship for Classics, the Bowman-Cameron University Scholarship of £50 for three years, and the Coutts' Scholarship of £50 at St. Andrew's College, and the first Queensland University Exhibition.

Queensland Rhodes Scholar.

Masters and boys of the Brisbane Grammar School will alike heartily rejoice in the selection of Norman Leslie as the Queensland Rhodes' Scholar for 1905. He came to the school six years ago, as the holder of a State School Scholarship, gained a Trustee Scholarship at the end of his third year here, and had this scholarship extended for an additional year at the close of 1903. His school record was unblemished in the matter of honourable conduct, and he has played a leading part in the maintenance of school games, being a good footballer, one of the mainstays of the cricket team, both in batting and bowling, and the holder of the Junior Tennis Championship of Queensland for two years. His popularity amongst his schoolfellows was deservedly great, and he was recognised by his masters as an influence for good in the school, through his example of courtesy, and cheerful obedience, and high principle. He is likely, in his university life, to uphold the high ideal expected of a Rhodes' scholar. His intention at present is to seek admission at Balliol College, Oxford, where last year's scholar, A. S. Roe, has already commenced his university career.

Annual Swimming Sports.

There was a large gathering of parents, friends, and old boys at the annual sports of the Brisbane Boys' Grammar School, held in the Booroodabin Baths on March 3rd, and the afternoon was one of the most successful in the history of the school sport. The programme was a varied and interesting one, and included an amusing obstacle race, cadets' and novices' races, diving, relay race, old boys' race, and water polo. While the relay race and the four lengths school handicap were capital items, and should be continued, the combination of swimming on back and feet foremost was unfortunate, and robbed the back race of portion of its interest and value. In the school championship, Corrie secured an easy win.

This superiority of one swimmer has been a feature of the school swimming sports, and the race was not as exciting as many others. In the old boys' contest there were a large number of entries, and the final was a splendid exhibition of swimming. A noticeable feature of the sports was the care with which the boys were costumed. The announcement through a speaking trumpet of the results would have added to the enjoyment of the spectators, who were mostly unacquainted with the names of the winners.

The officials were:—Referee, Mr. R. H. Roe; judges, Messrs. F. S. N. Bousfield, J. Cowan, B. Porter, J. G. Cribb; starter, Mr. T. E. Jones; check starter, Mr. R. W. Mowbray; timekeepers, Messrs. A. J. Mason and J. A. Dakin; referee in water polo contest, Mr. K. Carson; committee, J. A. James, C. E. Parkinson, H. T. Bourne, D. Butler, L. G. Brown, and A. A. Briggs.

The results were as follow (handicaps behind scratch):—

NOVICE RACE, 2 Lengths.—First heat: A. W. Borjeson, 1; R. J. Scott, 2. Second heat: Butler, 1; Taylor, 2. Final: Borjeson, 1; Butler, 2. Time, 40 $\frac{4}{5}$ sec.

CHAMPIONSHIP, 2 Lengths.—D. M. Corrie, 1; Murray, 2. Time, 37sec. Won easily by Corrie.

CADETS' HANDICAP, 2 Lengths.—First heat: Parkinson, 10sec. behind, 1; T. E. Wilson, 5sec., 2. Second heat: Clowes, 9sec., 1; Markwell, 10sec., 2. Third heat: L. G. Brown, 9sec., 1; E. M. Lilley, 8sec., 2. Final: Clowes and T. E. Wilson, 1; Parkinson, 3. Time, 49 $\frac{1}{5}$ sec.

LONG DIVE.—Roe, 112ft. 4in., 1; Elliott, 90ft., 2. The winner's dive was a fine one, and earned hearty appreciation.

UNDER 16, 2 Lengths.—A. W. Borjeson, 1; Hides, 2.

OBSTACLE RACE.—First heat: Parkinson, 8sec., 1; L. G. Brown, 7sec., 2. Second heat: Clowes, 7sec., 1; Ryder, 5sec., 2. Third heat: G. L. Wilson, 5sec., 1; Needham, scratch, 2. Fourth heat: Campbell, 5sec., 1; Sparkes, 3sec., 2. Fifth heat: Murray, 9sec., 1; Wallace, 6sec., 2. Final: Parkinson, 8sec., 1; Sparkes, 3sec., 2.

SWIMMING ON BACK AND FEET FOREMOST, 1 $\frac{1}{2}$ Lengths.—Murray, 1; Corrie, 2. Not so interesting as in former years, in spite of swimmers' enthusiasm.

SCHOOL HANDICAP, 4 Lengths.—Sewell, 14sec., 1; L. G. Brown, 18sec., 2. Time, 148 $\frac{4}{5}$ sec. A good race, well contested, and interesting, Sewell showing fine form.

NEAT HEADER.—Parkinson, 1; Murray, 2; Hides, 3.

V. AND VI. FORMS HANDICAP, 2 Lengths.—First heat: Clowes, 8sec., 1; Butler, 7sec., 2. Second heat: L. G. Brown, 8sec., 1; Dimmock, 3sec., 2. Final: Butler, 7sec., 1; Clowes, 8sec., 2. Time, 48 $\frac{1}{2}$ sec. A close finish.

IV. FORM AND UPPER MODERN, HANDICAP, 2 Lengths.—First heat: G. L. Wilson, 4sec., 1; Morcom, 3sec., 2. Second

heat: Wood, 5sec., 1; Clark, 8sec., 2. Third heat: Watson, 4sec., 1; Parkinson, 8sec., 2. Fourth heat: E. M. Lilley, 4sec., 1; Murray, 9sec., 2. Final: Wood, 4sec., 1; Parkinson and Murray, 2.

LOWER SCHOOL AND UNDER 14 YEARS, 1 Length.—First heat: E. Wilson, 4sec., 1; Pike, 3sec., 2. Second heat: Gibbon, 4sec. Third heat: Griffith, 4sec., 1; Holdsworth, 3sec., 2. Final: Gibbon, 4sec., 1; Griffith, 4sec., 2.

RELAY RACE, 5 Lengths.—D. Corrie's team, 1; N. Markwell's team, 2. Keenly contested, and a fairly close finish.

OLD BOYS' RACE, 2 Lengths.—First heat: Billington, 4sec., 1; Elliott, 5sec., 2. Time, 43 $\frac{4}{5}$ sec. Second heat: Mactaggart, 3sec., 1; Dalrymple 7sec., 2. Time, 36 $\frac{1}{5}$ sec. Third heat: H. S. Smith, 1sec., 1; Cannan, 3sec., 2. Time, 48 $\frac{1}{5}$ sec. Final: Mactaggart, 3sec., 1; Dalrymple, 7sec., 2. Time, 44secs. A beautiful race, the final witnessing a most exciting finish, Mactaggart only winning by a touch.

CONSOLATION SCRATCH RACE, 2 Lengths.—Markwell, 1; E. M. Lilley, 2. Time, 42sec.

WATER POLO.—Markwell beat Corrie's team by 3 goals to nil.

On the 10th February the Old Boys challenged the present to a game of Water Polo. The Old Boys were: Carvosso., A. Corrie, J. Dalrymple, N. Elliott, C. Joyce, W. Mactaggart, and H. Smith. The present boys: Butler, D. Corrie, H. a'Court, C. Macartney, N. Markwell, A. Murray, and Perry.

The present boys won by 3 goals to 1, after a very close finish. Mr. Carson kindly acted as referee.

Boat Race.—B.G.S. v. M.G.S.

The annual four-oared race between the crews of the Brisbane and Maryborough Grammar Schools took place on the Brisbane River in the morning of December 6th, in calm but hot weather. The course was from a point opposite the Government wharf to the rocks above the Commercial Rowing Club's shed. The Brisbane crew was weakened by the unfortunate illness of G. G. Wilson (No. 3), who was compelled to resign his seat in the boat a week before the race. Murray was, in consequence, moved from the bow seat to No. 3, and the vacant bow seat was taken by W. Taylor.

After some delay at the start, both crews went away at a good fast stroke; but after travelling about 200 yards, without much advantage to either side, No. 3 in the Maryborough crew lost his slide; after this, the Brisbane crew obtained a slight lead, which they maintained to the end of the race, though daylight was not at any time visible from the bank between the two boats. Mary

borough made more than one gallant effort to overtake their opponents, and at the finish seemed to be gaining on them; but the Brisbane crew passed the judge a quarter of a length in front. Both crews are to be congratulated on the pluck with which they rowed a hard race out to the finish. Special praise is due to the stroke of the Brisbane crew, who not only refused to be discouraged by the loss of his original No. 3, but rowed with great determination in the race itself; also the bow, for the hard work

THE BRISBANE FOURS.

he put in, in spite of his lack of training. Mr. D. Mactaggart kindly officiated as starter, and Mr. C. Bowly, captain of the Brisbane Rowing Club, as judge. Four races have now been rowed between the Schools, of which Brisbane has won 3, and Maryborough 1. The following are the names of the crews:—

BRISBANE.—W. Taylor (bow), A. G. Corrie, N. Murray, C. E. Parkinson (stroke), C. Clark (cox).

MARYBOROUGH.—Farquhar (bow), Mellor, F. Baynes, Hughes (stroke), Price (cox).

Cricket.

We are now getting near the end of another cricket season. This season has in many ways been the most successful for some time. Since the last publication of the Magazine, we have played 10 matches and won 9 of them. N. Leslie won both the batting and bowling averages for 1904, with J. A. James and S. Castlehow runners-up in each respectively. Two centuries have been made; one by Mr. Mowbray, for the Present School v. Past, and one by J. James against Ipswich G. S. The great fixture of our cricketing year, that against Maryborough G. S., took place on December 6th last. As will be seen elsewhere, we started the day well by winning the boat race. On assembling at the school turf, Maryborough won the toss and sent Brisbane in to bat. The first two or three wickets fell rapidly. But Bridgman played a splendid innings, and was helped by quiet play by Forbes and Leeds. To R. Watson and E. S. James, however, is due the praise, for a splendid stand late in the innings, which reached the fine total of 162.

Our innings lasted some little time over the lunch interval. Then Maryborough went to the wickets. Wickets fell rapidly, until Friend, Simpson, and Thompson pulled matters together. Their stand, though long, did not produce very many runs, and the innings closed for 84. Being 78 behind on the 1st innings, Maryborough were again sent in, and Brisbane had to spend the rest of the afternoon in the field. Friend again played splendid cricket, his record for the match being 101 for once out. At the call of time, M.G.S. had lost 7 for 187, B.G.S. thus winning by 78 on the 1st innings.

The following are the scores:—

We have also played the following grade matches:—

November 19th and 26th, against South Brisbane at West End.—South Brisbane first innings, 267 (Tudor 165). B.G.S. first innings 95 (Briggs 32); second innings 88 (Bridgman 33). We lost by an innings and 84 runs.

December 3rd and 10th, against Valley on School Turf.—This match is one of our best wins this season, as we were behind on the first innings. The boarders also were unable to stay for the second Saturday. B.G.S. first innings, 70 (Briggs 23). Bowling for Valley: A. Hendy, 5 for 29; Corrigan, 3 for 15. Valley first innings, 96 (Ross, 28 and Hendy 21). Bowling for School: Leslie, 8 for 57. B.G.S. second innings, 173 for 4 wickets (declared closed). (J. James, 89, not out; Briggs, 25; McGregor, 16, retired; Bridgman, 15, retired.) Valley second innings, 110 (Ross, 61). We won by 37 runs.

January 14th and 21st, against Woolloongabba on School Turf.—We played with a very weak team. W'gabba first innings, 170 (Benstead, 56; Donnan, 37, not out). B.G.S. first innings, 21; second innings, 31 (James, 11).

January 28th and February 4th, against W'gabba, at the Cricket Ground.—This the return match ended very happily for us. We had our full team for this match. N. Leslie performed wonderfully well with the ball, taking 9 wickets for 53. This is especially pleasing, as it was his last match at the School. In our second innings we scored 65 in 35 minutes. W'gabba first innings, 154 (Woodward, 46; Joyce, 28; Nelson, 23). Bowling: Leslie, 9 for 53. B.G.S. first innings, 188 (Mowbray 46; Briggs, 36; Willcocks, 19; Bridgman, 19; Gill, 19; Forbes, 21; James, 14). W'gabba second innings, 4 wickets for 95 (declared closed); Robson not out, 38; Woodward, not out, 24). Bowling: James, 3 for 34. B.G.S. second innings, 2 wickets for 65 (James 50, not out; Mowbray 13).

February 11th and 18th; also March 11th and 18th.—North Brisbane forfeited to School.

On the 18th February we played the Vikings on the Turf; Forbes and Willcocks dismissed them for 48, Forbes taking 5 for 14; Willcocks, taking 4 for 28. B.G.S., 108 (J. James, 43); we thus won by 60 runs.

February 25th and March 4th, against Toombul, at Kedron.—We won the toss and went in. B.G.S. first innings, 93 (J. James, 42; E. S. James 9, not out). Bowling: Biscoe, 5 for 27; Salton, 3 for 9. Toombul first innings, 83 (Maynard, 25; Williams, 14; Salton, 11). Bowling: J. James 4 for 24; Castlehow, 2 for 10; Clatworthy, 1 for 18. B.G.S. second innings, 148 (J. James, 45; E. S. James, 26; Hudson, 20). Toombul second innings, 63 (Salton, 24; Murray, 10). Bowling: Hudson, 3 for 15; Willcocks, 2 for 11.

GRAMMAR SCHOOL MATCH.

To celebrate the foundation day of the Brisbane Grammar School, the annual cricket match, Present School Fifteen v. Old Boys, was played at the Exhibition Ground yesterday, on an almost perfect wicket. Last year the school closed their innings at thirteen for 252, and the old boys replied with seven for 157. This year the Old Boys put a stronger team than usual into the field, comprising several Seniors, amongst whom were: Newman (Oxley), Papi and Jones (South Brisbane). The game resulted in an exciting win for the Present School by 17 runs, R. W. Mowbray contributing 103, the first century in these matches, whilst E. K. Tully for the Pasts compiled 60. The Old Boys entertained the Present Boys at lunch on the grounds, when the usual toasts were honoured. Mr. Pring Roberts captained the Old Boys, and J. A. James headed the Present. The catering throughout the day was in the excellent hands of Webster. The scores were as follow:—

Criticisms of First Eleven.

- J. James (captain):—Brilliant left-hand bat, fast bowler, sure fielder.
- A. Briggs:—Has become one of our most reliable bats. Has many good forcing strokes on the off, but still rather weak on the leg. A good ground field.
- N. Leslie:—Without doubt our best bowler. Some of his performances being remarkable. He had fallen off lately as a bat, but since he has left, we hear he has made the "century" for Southport.
- R. O. Bridgman:—Has improved very much as a bat, with good strokes all round the wicket. Has gone off as a bowler. A good all-round field.
- A. D. Forbes:—A stylish bat with good strokes on leg. Should be more careful about choosing a ball for pulling. Is now quite one of the bowlers of the team. A very good field.
- C. Willcocks:—A very patient and careful bat. Has a very pretty and effective leg glance. Has taken Leslie's place as the slow bowler of the team. A good field.
- D. N. MacGregor:—Played the first half of the season. A very steady useful bat. Was the best field in the team.
- A. W. Leeds:—A very much improved batsman. Has kept wickets with some success this season.
- R. Watson:—A steady bat, but can hit when required. A fine field.
- L. Hudson:—Very much improved all round as a cricketer. Has bowled once or twice with marked success. A fair field.
- E. S. James:—Also much improved. Has some very good strokes to fine leg and the off. Should be more careful about going forward to play a ball. A good field.
- C. Clatworthy:—A very good left-hand bowler; keeps a splendid length. Should pay more attention to defence when batting. Fair field.
- S. Castlehow:—A left-hand bowler, with a quick turn in from the leg; one of the team's best bowlers. Has much improved as a bat. A good field.
- A. R. Heron:—Played first half of season. A most reliable bat. A good field.

Boarders' C.C.

The following boys constitute the Boarders' Cricket Team:—G. Hides, W. S. Alley, G. Hatfield, E. H. Roe, C. A. Powell, W. G. Newell, W. E. Kiernan, G. Dimmock, D. O. Butler, W. L. Pegler, A. V. Thorp, S. A. Richards, A. L. Bridgman, and H. Casey. This team has played five matches since the beginning of the year. We lost again "Ravens," Glen Kedron, and twice against Normanby Terrace, and won against the Groves. G. Hides, G. Hatfield, W. Alley, W. E. Kiernan, and W. Newell played well in different matches.

Second and Third Cricket Teams.

The seconds have played 5 matches, won 1, lost 4, and received 2 forfeits.

The first match was against Glenallan. The School forfeited after the first day. Second match was against Sussex, and was won by Sussex by 49 on first innings. Third match was against St. Joseph's, the School winning by 52, Watson and Hudson batting very well, 36 and 26 not out respectively. Fourth and Fifth matches were forfeited to the School. Sixth match was against Kelvin at Alderley, on a wretched wicket. E. S. James 28. Seventh match was against Victoria on Turf, the latter winning by 17 runs. Thompson 17, and 11 wickets for 40. Anderson 16, Walsh 26. Hudson wins the batting and bowling average.

The Third Grammar School Cricket team had a very fair season throughout, having lost three and won 9 matches.

Library Report.

Since the last issue of the Magazine several valuable donations have been received from the following boys. The number of books each presented is placed in brackets after the name:—D. A. McNab (5), W. Pitter (1), J. Watts (2), L. E. Hill (2), P. Greenfield (2), E. Unmack (12), A. Grant (2), E. Greenfield (2), and Newell (1), a total of 29 books. The presentation included: "Lin McLean," "The Crossing," "Real Siberia," "Sir Mortimer," "Deeds that Won the Empire," "Stanley and Africa," "Life of Dr. Livingstone," and some of Henty's, Ellis', and Marryat's. To these boys the thanks of the librarians and of the school in general, are due.

The library has been well patronised this year, probably on account of books being issued at lunch time, instead of after school as previously.

Although we have received the above donations, there is still room for more books in the library.

The Cadets.

This year has started under good auspices for the Cadets, there being 140 names on the roll. The majority of the new boys became cadets.

Examinations for non-commissioned officers were held on March 8th. The standard attained was very high; the top boy, viz., T. V. Brown, gaining 100%.

The Cadets have been called out to camp on April 20th, and the School ought to be well represented.

The Empire Cadet match was shot off on November 3rd, 1904. Although not having gained the proud position of first in the Empire, our team shot very creditably, and came first in Australia. The day was not favourable for shooting, and this, perhaps, accounts for their score being 34 less than that of the previous match, viz., 467. Corporal Lilley is to be congratulated on making 62 out of a possible 70, the highest individual score in Australia.

The individual scores are as follows.—

	Possible 70.	
Corp. E. M. Lilley	62	} Total 467.
Sgt. N. W. Marshall	60

Off. Cdt. H. T. Bourne	58	
Corp. C. Wassell	58	
Pvt. Philpott	56

The scores of the first seven teams of the Empire are:—

School.	Country.	Range.	200 yards.	500 yards.	Total.
Charterhouse	England	Sandhurst	254	236	490
Eastbourne	"	Crumbell's	239	244	483

Harrow	"	"	233	235	468
Brisbane Grammar School	Queensland	Toowong	244	223	467

In the last year's quarterly cadet matches our team did not do well. The School was beaten by Toowoomba and Ipswich. A match is to come off on March 25th, when the team hope to retrieve their fallen laurels. The team will consist of: E. Lilley, J. James, Markwell, E. Plant, A. C. Macartney, Wassell, Philpott, and Butler.

Gymnastics.

By C. C. C.

The number who devote their attention to this important branch of physical culture is steadily increasing, not only in the School but all over Brisbane.

It is anticipated that soon, an association will be formed at the Brisbane Gymnasium as headquarters, by all the gymnasiums in and around about Brisbane.

L. G. Brown has started a club of about a dozen boys, picked from the school, which he intends to instruct in Sandow's dumb-bell system, club-swinging, and heavy gymnastics, after four o'clock, once a week. A regular attendance is required from (members), who now include: L. G. Brown (captain), C. C. Corrie, E. M. Lilley, A. C. Macarney, D. M. Corrie, R. S. Taylor, A. J. Wallace, C. Clark, G. Lang, F. Ryder, J. L. Mactaggart, F. Dobbo, R. W. Mair, and A. B. Collins.

Eleven competitors entered for the annual special examination before Xmas, and some fairly good work was exhibited.

Mr. Roe was present and expressed his satisfaction with this part of physical training.

L. G. Brown, on account of suddenly taking ill a week or so before the exam., was unable to compete. Mr. T. Wilkinson, Instructor of the Brisbane Gymnasium, acted as judge, and the marks for the year resulted as follows:—

UPPER SCHOOL.

Best General Gymnast—C. C. Corrie.

Class Marks:—

	Possible	500
Set A, E. M. Lilley	284	
Set B, A. C. Macartney	484½	
Set C ₁ , C. C. Corrie	488	
Set C ₂ , J. F. Ryder	477	

LOWER SCHOOL.

Best General Gymnast.—D. M. Corrie.

Class Marks:—

	Possible	500
Set A ₁ , A. L. M. Wilson	467	
Set A ₂ , F. Dobbo	413	
Set B, D. M. Corrie	485	

R. S. Taylor and J. A. James worked well, Taylor getting 44½ marks in Set C, and James coming second in Set A; but the latter took ill during the performances, and consequently had to give up before the exam was finished.

G. Lang won the prize for best club-swinging among the Juniors.

Some of the new boys have been quickly picking up new exercises, and especially A. B. Collins. More new chaps have had to be "ejected" for infringing rules this year, than in any other year I know of.

New Roman rings have been supplied to our gymnasium, and the old stirrup rings have been re-covered.

Probably every gymnast has noticed that after long periods of sitting in a close room, and sweltering in the semi-tropical heat, a sense of drowsiness creeps over the body. Instinctively the shoulders are sent back, the arms up, and back, and out, the head back, and perhaps a yawn. Then a relax, and one feels decidedly relieved. By instinct the human being thus stretches and exercises the muscles, and what can be done by instinct can be achieved regularly by secondary, or acquired instinct. Let young men and women learn that it is worth while to be healthy, quick, self-controlling, self-directing; that it is a pleasure to utter some of their most beautiful thoughts in a physical way, and gymnastics will become a much more favourite form of exercise than at present. Gymnasts should remember that the ordeal of living through a Brisbane summer is less trying when one is in sound physical condition.

Football.

PAST GRAMMAR SCHOOL FOOTBALL CLUB.

Following on the poor display of football shown both in club and representative matches last season, a movement was made in October last towards forming a club composed entirely of past students of the Brisbane Grammar School. Strangely, the leader of the scheme was an old Ipswich Grammar School boy—Mr. W. Bennett—but one can see the season of that by following close in the self-destruction of the old club. In the days of club football, the Past and Present Grammars was 'the power' in the football world; its origin is not quite clear; but if memory serves right, it arose out of the fact that the present school team was an exceptionally strong one in 1886, containing such players as Harry Scarr, Harry Luya, the two Grahams, and of course, the ever-popular R. P. Francis, whose memory is cherished amongst all old students

both as a master and a friend. As some of these players left school they still retained their places in the team, and hence a Past and Present team formed of its own accord, without any system at organisation, as we had to go through just lately. This old team was ever popular amongst the public, even when in the eyes of Brisbane Grammarians it degenerated somewhat by the admission of students from these Grammar Schools, the main reason for this innovation was that fine old rivals, the Ipswich G.S. found a marvellous three-quarter in Bullmore (since Scotch international), and the selectors wanted to make use of him. The next innovation was the admission of anyone who had ever been to a high school; this again, for personal reasons, to get hold of the famous Jimmy Anderson and Sion Boland, neither of whom had attended the Grammar School. The gradual removal of the purpose for which the old club had been formed, namely, that of keeping together the fine athletic and kindred spirit engendered by association at the one school, had more than anything else the effect of kindling a spirit amongst other footballers in town antagonistic to the Grammarians altogether; and hence in 1900 we found electorate football holding sway and the Past Grammars were without doubt, guilty of *felo de se*.

Hence Mr. Bennett, in bringing forward his motion at the Q.R.U. meeting, especially limited the players to past and present members of the Brisbane Grammar School only, and in view of previous history, one can see how necessary it is to maintain this. A few enthusiastic sports at once took up the matter informally, canvassed the town and eventually called a general meeting in December. At this, the club was properly formed; a strong committee of ten and a secretary were appointed to carry on the organisation, and a resolution was passed, adopting pale blue with white collar as the club colours. This committee worked well during January and February; another general meeting was held with still increasing members, till eventually at the annual meeting was held on February 28th, some 85 members had enrolled themselves, most of these are young players, in many cases the pick of the seniors and juniors of the electorate clubs, who had continued football for the sake of the game only, but who warmly welcomed the advent of the new club, which should rouse in them a friendly feeling of comradeship and old associations as well. At this meeting Mr. Roe was elected president, Messrs. P. P. Fewings, R. McCowan and K. Carson (vice-presidents); W. W. Knight, secretary; and J. Wassell, treasurer, with Lewis as secretary of second grade; while a strong committee was formed, most of the older players who had helped in organisation, dropped out, in favour of the younger enthusiasts. The intention is to play the first two grades at least, and should sufficient inducement offer, to play third grade also. The organisation is still being carried on, and a further filip was given to it the other day by the inauguration of the Past and Present Brothers.

Though the first year may not be productive of excellent

results, all supporters of the good old winter pastime can be assured of watching football played in its true spirit (should they visit the arenas this year) whenever any of the Past Grammar teams are engaged, and it is to be hoped that their sportsmanship will be an example to other clubs, and lead them out of the very low grade football, into which they had fallen during the last few seasons.

Jottings.

A. S. Roe had the honour of playing twice in the Oxford University Football Team; first against the London Scottish, and secondly against Moulsey Football Club, both of which matches were won by the University.

S. F. MacDonald has gained a Warden's Scholarship at Trinity College, Melbourne.

A. S. Fielding and E. Unmack have joined the staff of the A.M.P., in Brisbane.

T. Thatcher and D. W. MacGregor have entered the service of the Education Department, and have been appointed to the State School at Townsville.

H. Turner, Manager of Camden Station, visited his old school recently.

R. Martin has been transferred to the Intestacy, Insanity, and Insolvency Department.

H. J. Jensen, B. Sc., has been awarded a Fellowship of the Linnean Society of N.S.W., for original research. The position is worth £400 per annum, and the holder is required to devote his time to the study of some scientific subject, and to publish the results of his year's work in the proceedings of the Linnean Society. Mr. Jensen is investigating the geology of the Glass House Mountains.

Hon. Magnus Jensen, M.L.C. (an old boy), has been appointed a member of the Board of Trustees.

At the recent examinations of the Charters Towers School of Mines, A. McCallum and H. F. Reichelmann distinguished themselves, McCallum obtaining prizes in no less than six subjects.

A. Heron is preparing for the profession of a Chemist with his father, at Bowen.

N. Murray has entered Brabant and Co.'s office.

S. Castlehow, G. Davidson, S. Richards, S. B. Snow, and L. E. Hill have entered as students at Sydney University.

S. F. M'Donald has gone to Melbourne University, to study **Medicine**.

R. M. Allan intends pursuing the study of **Medicine** at Edinburgh.

A. W. Leeds has joined the Q.N. Bank.

F. M'Gill has started station life near Gympie; and J. L. **Watts** is also engaged in Pastoral Pursuits.

C. Bray has started work in the Commercial Bank, at Bangalow.

F. Bray has left Fiji.

H. E. M'Lennan is a member of the Cable Staff at Southport.

A. H. Jones won the championship of the A grade, and G. Gabriel that of the B grade, in the recent competition at the Brisbane Gymnasium.

A. C. Davidson has passed the Intermediate Examination of the Institute of Bankers, of Sydney.

C. J. Weedon brought his microscope and a large number of slides to school one afternoon in February, and enabled Form V. Physiologists to spend a profitable hour under his friendly guidance. Our thanks are due to Dr. Taylor for lending us an additional microscope.

Association matters since the beginning of the Christmas holidays have been very quiet, the only fixture which has taken place being the cricket match against the School. That pleasant function is described in another column.

Four town and two country members have been added to the roll since November.

The third ordinary meeting for the year 1904-5 was held on March 21st., when the attendance was small, probably owing to the prevalence of dengue.

The attention of present members of the School is directed to a motion proposed by Mr. Pace, and carried, by which those who join the Association within twelve months of leaving school, may do so for the first year, by paying the entrance fee, only 5s.

The Association year begins on July 1st.

Great pleasure was expressed at the success of Norman Leslie in the Rhodes Scholarship; and both the winner and the Head Master were congratulated by the Association.

Two old boys, C. W. Roe and W. T. Forrest, were successful in their recent Engineering Examination at the University.

Trips 'home' seem becoming quite the fashion, and among those about to indulge in this luxury is Mr. E. R. Crouch, whose exhibitions with the bat recently have been startling. May he have a pleasant time!
