

KS1 Homework Grid – Year 2

<p>I enjoy reading, writing and speaking</p> 	<p>I enjoy maths</p> 	<p>I enjoy arts, music and being creative</p> 	<p>I enjoy being active and making things.</p> 	<p>I enjoy learning about Science and the world around me.</p> 
<p>Challenge: Write a diary entry recount - a day in the life of a polar bear.</p>	<p>Learn to say the 2, 3, 5 and 10 times tables.</p>	<p>Create a blue collage using a range of materials and textures.</p>	<p>Make an igloo from recycled materials.</p>	<p>Research to find out about how animals are suited to their different environment.</p>
<p>Make your own word search using Arctic words.</p>	<p>Quiz- get an adult to question you so you need to recall the facts randomly for the 2, 3, 5 and 10 times tables.</p>	<p>Create a polar bear from cotton wool and other resources.</p>	<p>Make a fishing rod and pretend that you are ice fishing.</p>	<p>Make some ice in your freezer and see how it reacts to different things- how can you record this?</p>

Thank you for all of your homework from the 'Into the woods' topic.

Children should be reading every day at home and this should be recorded by an adult in the reading record. Reading every day will really impact on your child's progress (and they will get a fantastic prize at the end of the week!). In addition to this, children are expected to regularly complete Mathletics tasks set by the teacher.

Each term, each child should complete the writing challenge and at least two other activities. The homework should be named and returned at any point before the end of term
