Homework Expectations – Year 4 Term 4

Every week: children should be reading 7 times a week at home and should be recorded by an adult in the reading record. Reading every day will really impact on your child's progress. Additional resources can be found at www.activelearnprimary.co.uk. Furthermore, children have weekly spellings to learn and if they don't reach the pass mark they will be retested on a Monday playtime. Please continue practising their times tables for regular testing in preparation for the end of year test.

Thank you for supporting your child's learning.
