	Genius Hour (No class 4/10)	F	April 3 – May 15	3, 4, 5	3:30 – 4:30	\$ 75.00

All students participating in a club will have snack time from 3:15-3:30.

Send registration form and cash or check payable to Chapin School to the Business Office. Checks returned by the bank will be assessed an additional \$12.00 return fee. If you wish for the charge to be added to your TADS account, please initial on this line.

I understand that if a program is not offered or over enrolled, my payment will be refunded in full provided I do not have any past due balances to which the refund would be applied. Clubs will not meet on days Chapin has an early dismissal or school is closed. Chapin has already factored in the club start and end date based on these days.

I understand registration and payment must be received at least one day prior to the start of the club. Late registrations will not be accepted without prior approval. This deadline is important to provide proper instructor planning as well as for teachers to be properly notified of student dismissal plans. Any exception to this deadline will be noted in the club description at My Chapin/After School Programs.

Pick up is at the Martin Plaza Red doors unless otherwise noted. Students whose rides are more than 10 minutes late are checked into ASP and parents will be assessed a \$15 per hour fee for this care starting as of the club end time.

For the most current information and club descriptions, please go to My Chapin/After School Programs.

Contact Mrs. Sharon Gomberg with club ideas or club content questions at 609-924-7206 or sgomberg@chapinschool.org.

Questions regarding registration and payment should be directed to Mrs. Patty Holmes at 609-924-2644 or pholmes@chapinschool.org.

I have read and agree to the club registration policies. If an email address is provided, confirmation will be sent approximately one week prior to the club start date.
